FANNY WARD, SUNDAY

Fannie Ward, the brilliant Lask-Parmount star, who with each appearance on the screen adds fresh thousands to her hosts of admirers, will be seen at the Arcade on Sunday in "Unconquered," a thrilling drama of modern society life written especially for her by Beatrice C. De Mille and Leighton Osmun.

wife into a compromising situation, secures a divorce and the child, and how the child is finally won back by the mother's offering to sacrifice her own life to a half-crazed negro, is presented in a most graphic and unusual manner. As the young wife of the millionaire, Miss Ward has an opportunity to display many of the most beautiful gowns from her wonderful wardrobe. The cast supporting Miss Ward is one of unusual excellence, including such prominent artists as Jack Dean, Hobart Bosworth, Tully Marshall, Mabel Van Buren and Little Billy Jacobs.

Hobart Bosworth as the husband, infatuated with another woman, a role splendidly played by Mabel Van Buren, gives one of his customary finished performances. Tully Marshall, who will be remembered for his successful performances in many Lasky productions, gives an unusual characterization of Jake, the half-crazed negro whose heart is filled with fear of the Voodoo woman. Little Billy Jacobs plays the role of the little son in his usual clever manner.

The Whole Neighborhood Knows. Mrs. Ann Pelzer, 2526 Jefferson St., So. Omaha, Neb., writes: "I can rec-

ommend Foley's Honey and Tar as a sure cure for coughs and colds. It cured my daughter of a bad cold. My neighbor, Mrs. Benson, cured herself and her whole family with Foley's Honey and Tar, and everyone in our

neighborhood speaks highly of it." This reliable family remedy masters croup. It clears the air passages and eases the gasping, strangling fight for breath. Sold Everywhere.—Adv.

AID THE KIDNEYS Do Not Endanger Life When a La Grande Citizen Shows You the Way to Avoid It.

Why will people continue to suffer the agonies of kidney complaint, back-ache, urinary disorders, lameness, headaches, languor, why allow themselves to become chronic invalids, when a tested remedy is offered them?

Doan's Kidney Pills have been used in kidney trouble over 50 years, have been tested in thousands of cases.

If you have any, even one, of the symptoms of kidney diseases, act now. Dropsy or Bright's disease may set in and make neglect dangerous. Read this La Grande testimony: Mrs. Frank Brookler, 2010 Third St., says: "Doan's Kidney Pills have been a household medicine for kidney trouble in our home for a number of years and they have always proven a great success. Whenever I notice my kidneys are not acting as they should, I take Doan's Kidney Pills for a few days and they never fail to relieve the trouble. I couldn't recommend anything their equal."

Beautiful 1918 Maxwell Now On Exhibition

Without altering the world champion motor, the famous perfected clutch and transmission or the mighty axles, the Maxwell builders have produced a new wonder car, far superior in construction and in appearance to anything yet turned out by the Maxwell factories—we have this new and beautiful car—come and see it.

The car is larger and roomier, for one thing—the wheelbase has been increased six inches. It is also a stronger and more rigid machine for the road. The frame is now six inches, instead of three inches deep. And the body rests directly on this powerful frame, instead of on brackets extending from the sides, as in the past. Do you know what that means? It means this: The firmness with which the wheels grip the road and the steadiness of the car at high speed give you a sense of security such as you have been able to enjoy before only in cars shackled with a battery of shock absorbers.

This New Car is 50 Pounds Lighter

There's a marvel of engineering for you, friends! The car is made bigger and stronger—and yet actually lighter. This means greater ease and comfort on the road. More than that—it means greater economy.

JOHN E. ANDERSON JEFFERSON AVE.

And the Maxwell before was the most economical 5-passenger car in the world. Compensating underslung rear springs—the last word in spring suspension—mark this wonderful Maxwell of 1918. They mean greater comfort—greater economy, by lessening wear and tear on the car.

Maxwell Now Has the Style of the Costliest Cars

The new Maxwell is a car of great beauty. It has a sloped windshield and rakish lines never before produced in any car costing less than \$1200. Its good looks now equal its proved mechanical efficiency. The new upholstery is richer and gives a new comfort. Inside and out the new 1918 Maxwell is a perfected car. We're proud to sell it. You'll be proud to own one.
