A quiet wedding took place last evening at the home of Mrs. Wm. P. Moore on Second street when her brother, James Schilling and Miss Louise Pook were married by the Rev. F. W. Stitzinger, after which the service was read in German by the minister, the ring ceremony being used. The bride wore a neat blue serge dress and was attended by Mrs. Wm. Moore as matron of honor. Charlie Schilling attended his brother as best man.

After the ceremony a sumptuous wedding supper was served, after which the evening was spent with music. About 11 o'clock Mrs. Moore again served a light lunch.

Those present were Mr. and Mrs. John Schilling, Sr.; Rev. F. W. Bussard, Mrs. Wm. Moore, Charlie Schilling, the groom's two children, Helen and Charlie, and Mr. and Mrs. J. G. Stitzinger.

HOW I AM DOING MY BIT TO HELP AMERICA WIN THE WAR

By J. P. CAREY.
(Supt. Kansas City Div. Union Pacific R'y., written for the United Press.)

Kansas City, Mo., Oct. 18.—"What am I doing to help win the war? I have been giving special attention to the matter of heavier loading of freight cars and the prompt movement of all classes of freight equipment. It has been my special care to look after the prompt handling of all Government freight, troop trains, etc., Camp Funston, Kas., is located on the Kansas division of the Union Pacific railroad, and it has put added zest into my work to realize that when my division makes the best record in the matter of railroad efficiency it is giving at the same time the best possible patriotic service.

"Approximately 50,000 men are to be trained at Camp Funston and the Union Pacific Railroad has handled all the freight necessary to bring the construction material and supplies to this big cantonment. We have had to build a second track for a distance of 20 miles in order to properly handle this traffic, and additional side tracks, station facilities, sub-way structures, etc., have had to be built.

For the past three months we have had to handle twice daily between three and four thousand workmen employed on the cantonment, getting them to work promptly in the morning and at home in the evening. In order to do this, we often found it necessary to build new tracks, change schedules and install new train service—practically overnight.

In other words all our resources have been placed at the command of Major General Leonard H. Wood, with whom it has been our pleasure to cooperate. We will continue to render the best service at our command in order that Camp Funston and its commander may have the reputation of being the best National Army cantonment.
