SAMSON TRACTORS

SAMSON SIEVE-GRIPS IN A CLASS BY THEMSELVES.

Original ideas developed through experience and necessity are embodied in Samson Sieve-Grip Tractors. You will find features there not thought of by others.

Recently we have secured letters patent on the method of connecting the air breather of a gas engine crank case to our patented NODUST-MOISTURIZER. This will be another exclusive feature in Samson Sieve-Grip Tractors, or otherwise an infringement if used by others.

The close connection of our management, being direct in touch with the actual operation, wants and requirements proving to be necessary in the small size farm tractor, we attribute largely to the success of the Samson Sieve-Grip.

It is our aim to manufacture a one hundred per cent efficiency tractor, sold at a right price, and give service that secures satisfied customers.

North Powder News

NORTH POWDER, Ore., Oct. 22.—(Special).—Mr. and Mrs. Gilbert Gilkinson gave a reception and shower for their son Clifford, and his bride, Miss Ruth Keter, who were married a few days ago. Guests were present and a fine time was reported. A large number of valuable presents were given to the newlyweds. The many friends of the young people wish them a long and happy life.

The marriage of F. O. Bradshaw of North Powder and Miss Marguerite Gale of Union took place at the home of the bride's mother in Union on October 17. Mr. Bradshaw was at one time principal of the Union high school and has for some months past been assistant in the North Powder bank. Miss Gale has lived in Union all her life and is a graduate of the high school at that place. The young people will make their future home in North Powder where Mr. Bradshaw is at present employed. Their many friends wish them every happiness.

The harvest ball held at North Powder on Friday night was a success in every phrase of the word. One hundred and forty-seven numbers were sold and lots of those present did not dance but simply looked on. The floor at times was so crowded that it was difficult to dance. Lots of out of town people were present.

Mr. and Mrs. C. J. Forsstrom are in Portland this week. They are combining business and pleasure. They expect to be home in a few days.

Floyd Wiltshire has gone to Hot Lake this week to take treatment for rheumatism. Mr. Wiltshire has been suffering from this disease for some time and as a last resort will try hot baths to see if it will relieve him.

Earnest Forsstrom has a small stock of goods and will open a store in the Ledbetter building now owned by Luther Moore. He will handle gent's furnishings and a few groceries.

Mrs. J. A. Pilcher was a town visitor last Saturday. Her health is much better this fall than it has been.

Tom Green spent a few days visiting with his brother and sister who live in Joseph.

Mrs. Tom Beaumont has returned from Idaho, where she spent some days visiting with her daughter.

The pioneer firm of Gorham and Rothchild have dissolved partnership. Mr. Gorham retiring from the business and Mr. Rothchild will continue in business. This is one of the first, if not the first, mercantile firms in business in this section. Mr. Gorham was in the lumber and ranching business for years as well as the mercantile. Mr. Gorham is planning to take a trip and expects to be gone for some time. His daughter, Miss Monta, will accompany him. Mr. Gorham's many friends dislike to see him giving up active business but they know that he has worked many years and now is only taking a long deserved and, we might say, needed rest from all business cares.

Henry Hess claims that his Overland car is a car for intelligence and discernment. It is a fine car and always works fine except when young ladies are along. Then it always gets a "grouch" and refuses to work without coaxing.

Mr. Merritt has bought a Sieve Grip engine from Mr. Wilson. The engine is not large and heavy enough for Mr. Wilson's work.

Earnest May has enlisted in the Aviation corps. He is at Vancouver at present.

Board sidewalk is being put into some of the crossings. What is the matter with the town putting in some cement walks? We ought to do something and not be one hundred years behind on the city improvement question.

Jim Hutchinson, Ed Kiddle and Tom Wright were town visitors on Saturday. They were boosting the Liberty Bonds.

Mrs. Stella McGrath is visiting with Mrs. Herman White for a few days.

Miss Anna Taylor left on Sunday night for Pocatello, Idaho, where she will visit with her sister for a few days. She will go from there to Salt Lake, and after a few days spent at that place will go to southern Colorado, where she will spend the winter. Miss Taylor's health is much improved and she will spend the cold winter months in a warm climate with the hope of further benefiting her health.

Pleas Smith is visiting with friends and relatives in the East.

WASHINGTON TEACHERS HOLD ANNUAL CONVENTION

TACOMA, Wash., Oct. 24.—Two thousand Washington teachers are gathered here today for the opening of the annual convention of the Washington Educational Association. More are expected tonight and tomorrow.

Mrs. Smith Recommends Chamberlain's Tablets.

"I have had more or less stomach trouble for eight or ten years," writes Mrs. G. H. Smith, Brewerton, N. Y. "When suffering from attacks of indigestion and heaviness after eating, one or two of Chamberlain's Tablets have always relieved me. I have also found them a pleasant laxative." These tablets tone up the stomach and enable it to perform its functions naturally. If you are troubled with indigestion give them a trial, get well and stay well.—Adv.

Royal Baking Powder saves eggs in baking

In many recipes only half as many eggs are required, in some none at all, if an additional quantity of Royal Baking Powder is used, about a teaspoon, in place of each egg omitted.

Try the following recipes which also conserve white flour as urged by the government.

Corn Meal Griddle Cakes

1 1/2 cups corn meal
1 1/2 cups boiling water
1 cup milk
1 tablespoon shortening
1 tablespoon molasses
1/2 cup flour
1 teaspoon salt
4 teaspoons Royal Baking Powder

NO EGGS

Scald corn meal in bowl with boiling water; add milk, melted shortening and molasses; add flour, salt and baking powder which have been sifted together; mix well. Bake on hot greased griddle until brown.

(The Old Method called for 2 eggs)

Eggless, Milkless, Butterless Cake

1 cup brown sugar
1 cup water
1 cup seeded raisins

HELPFUL WORDS

From a La Grande Citizen
Is your back lame and painful?
Does it ache especially after exertion?
Is there a soreness in the kidney region?
These symptoms suggest weak kidneys.
If so there is danger in delay.
Weak kidneys get fast weaker.
Give your troubles prompt attention.
Doan's Kidney Pills are for weak kidneys.
Your neighbors use and recommend them.

Read this La Grande testimony.
Mrs. A. A. Couch, 1322 Jackson Ave., says: "It has been quite a few years since I have had to take a kidney medicine, but speaking from past experience, I know Doan's Kidney Pills are a good reliable remedy for kidney disorders. Whenever I have an opportunity to recommend Doan's Kidney Pills, I do."

WATER TOO COLD TO COMMIT SUICIDE.

(United Press.)

PORTLAND, Or., Oct. 24.—Joseph Saddler, of Pocatello, Idaho, doesn't like cold water.

He jumped off the Burnside bridge the other day, intending to commit suicide. But the water was cold—too cold for comfort, so he swam ashore and ran to the house of a friend.

Saddler today is stopping on the fourth floor of the police headquarters. He admits he jumped from the bridge to end his life, but the water was too cold to die in comfort.

Stanfield—Work on new fruit warehouse here progressing.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young — to do this you must watch your liver and bowels — there's no need of having a sallow complexion — dark rings under your eyes — pimples — a bilious look in your face — dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities.

You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.

"Who Will Win This Battle?"

Your kidneys are the filters of the body. If they become inactive and fail to eliminate the waste matter, they are apt to throw the whole mechanism of the body out of order, thus toxic poisons can accumulate in the system and be as deadly as snake venom.

Besides causing the minor ailments of rheumatism, sciatica, lumbago and backache, neglect of the kidneys is apt to develop into more serious diseases, such as diabetes or stone in the bladder.

Rid the body of toxic poisons—clean the bladder and kidneys and cure the twinges of rheumatism with Anuric and you win the battle of life.

Anuric was first discovered by Dr. Pierce, and has benefited thousands of sufferers as well as appeased and eliminated the ravages of the more serious kidney diseases. Now procurable at any good drug store, or send direct to Dr. V. M. Pierce, Buffalo, N. Y., 10 cents for trial package.

Mrs. B. G. Coker says: "When I commenced the treatment of Anuric I was in bad shape. My back ached all the time and oh! how my back would ache at night until I would have to get up. I could never sleep all night. But since I have taken the Anuric Tablets my backache is all gone and I can lie down and sleep good and sound all night. Oh! how much better I do feel—no one knows but myself. My advice to all sufferers of kidney troubles is to give Anuric a trial and they will find relief from their trouble."

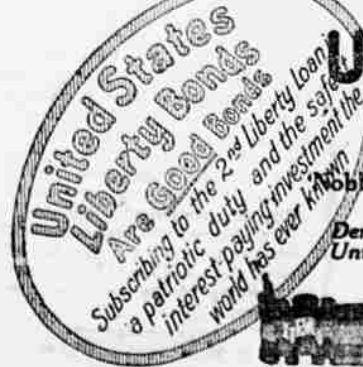

By Midnight Wednesday Sept. 12th

Up to midnight, September 12th, during a period of 8 1/2 months, we sold and delivered to tire dealers more United States Tires than we sold to dealers during the entire 12 months of 1916.

This phenomenal sales increase was made notwithstanding our epoch-making sales increases of 1916 over 1915.

These record-breaking sales increases of 1917 over 1916 and our record-breaking sales increases of 1916 over 1915 definitely and finally prove three facts:

1. The supremacy of United States Tires.
2. The fact that the vast army of automobile owners who used United States Tires in 1916 are using them in 1917 on the sheer merit of their experience.
3. The fact that another vast army of automobile owners have been won over to the use of United States Tires in 1917 on the sheer superiority of our tires over other tires that they have tried.
