COMING TO ARCADE MONDAY AND TUESDAY

Elgin News Notes

ELGIN, Or., Oct. 25.—(Special).—A. B. Aminio, the manual training instructor in the Elgin Public Schools, spent a great deal of time before the opening of the school year in reconstructing and enlarging the manual training department, and has now one that will equal any in the county for light, room and equipment. The working room is almost twice as large as it formerly was, and the equipment has been increased so that each pupil has a complete assortment. The manual training boys are making many useful and artistic articles. Many of them are of oak wood.

The Utopian Literary Society will give their second program a week from Friday, at the Parent-Teacher's Association. The program will consist of a debate, one or two readings, and several musical selections.

The football boys are out practicing every evening and the girls are out selling tickets all in preparation for the football game Saturday with La Grande.

Mr. C. T. Yentzer and Mr. Jesse Crum, both business men of Elgin, made a business trip to Alice last Tuesday.

Mr. and Mrs. Ralph Paxton, former Elgin people, returned to their ranch in Catlow Valley last week.

Mrs. W. Klinghammer returned to Elgin last week after a short visit with her son, Mr. Hugo Klinghammer, who is living in Catlow Valley.

Mr. and Mrs. Montia Witty and their daughter Elaine, returned from Idaho Sunday after a week's visit. Mr. Witty is a local farmer of the foothill region. The trip was made in his auto.

The funeral services of the late Mrs. T. W. Harryman was held in the M. E. Church Wednesday. Mrs. Harryman was a resident of Salem and was visiting her son F. W. Harryman, a farmer of the flat. Rev. Smith officiated.

The Honor Guard Girls held a meeting last Wednesday evening and received their first lesson in first aid. Mr. R. L. Shoemaker and family motored to La Grande last Sunday evening.

The Elgin farmers are all very busy at the present time caring for the apple and potato crop. The apple crop was much better than expected. The yield of the average orchard was as good as last year and in some cases was much better. In spite of the fact that many of the apples were destroyed by the worms, the fruit is of good size and flavor. The farmers are more especially proud of the yield of the Winter Bonana. Delicious. The potato crop was fair considering the dry season and other unfavorable conditions.

Sour Stomach.
Eat slowly, masticate your food thoroughly, abstain from meat for a few days and in most cases the sour stomach will disappear. If it does not, take one of Chamberlain's Tablets immediately after supper. Red meats are most likely to cause sour stomach and you may find it best to cut them out.—Adv.

Christmas Packets For the Soldiers

RED CROSS NOTIFIED THAT 175 PACKAGES FOR THE BOYS MUST BE SENT.

La Grande Chapter has received a call for 175 packets to be made up at once and shipped by November 1. La Grande's share is 40 packages. These are to be made up by voluntary contributions.

La Grande is already forking for Christmas gifts to send to our own boys. Let us do our part toward providing Christmas cheer. Remember, too, that our boys will receive one of these packets.

The Honor Guard Girls have volunteered to take charge of collecting funds and tying up the packets. This must be done in less than one week. Help these young women by telephoning at once Gladys Black Y. M. C. A. how many packets you will make up or what contribution you make towards the packets. The handkerchiefs are to be provided by the Chapter.

Suggestions for Christmas Packets For Our Men at Home and Abroad.

No matter how generous a supply of gifts some of the men may receive from families and friends, it is believed that all Red Cross members will want to unite in sending to each man a Christmas packet filled with good things and good will.

In order that the men may be equally remembered and yet that there may be a pleasing variety in the packets, the following suggestions are made for preparing and assembling the Christmas parcels:

1. Nothing should go in them which will not keep fresh from the time of packing until Christmas.
2. Dried fruits and other food products should be packed in small tin or wooden boxes, one-quarter to one-half pound size.

3. Hard candy, including chocolate, would probably be safe in tin foil or heavy cardboard, but no soft chocolates nor anything that could possibly be crushed should be used, as the remaining contents of the package might be spoiled thereby.

4. Several Gainties packed in oblong tin boxes holding each a quarter of a pound, will provide a better variety for a packet than a larger quantity of a single confection.

5. No liquids nor articles packed in glass should be placed in the package.

6. For wrapping the gifts use a khaki-colored handkerchief, 27 inches square, and form the base of the packet by placing on the center of the handkerchief a pad of writing paper about seven by 10 inches.

7. Select a variety of articles either from the suggested list (or according to individual wishes) to an amount not exceeding \$1.50, and arrange them on the pad of paper so that the entire package shall be the width of the pad and approximately five or six inches high.

8. Wrap and tie with one-inch red ribbon and place a Christmas card under the bow of ribbon. A card bearing the greetings of the Chapter would be desirable.

9. Wrap the parcel again in heavy, light-brown Manila paper, tie securely with red, green, or gilt cord, and use Christmas labels or American flags as desired.
