HOW THE WOMEN WILL HELP

The women of our city
Will help to win this war;
They'll sew and knit and do their bit,
No matter where they are.
They are willing to economize,
And save where'er they can;
It is their aim to "Hooverize,"
And so help Uncle Sam.
They'll eat corn bread,
And save the wheat
So the men at the front
May have white bread to eat.
Few card parties you will see—
Instead, they'll have a knitting bee.
The Red Cross work must be well done
There's work and room for everyone.

So watch the women of La Grande;
They're hard at work on every hand
To help our Allies in their stand
To down the Kaiser and his band.

DIZZINESS IS ANNOYING

As Many La Grande People Know Too Well

When the kidneys are weak or disordered they fall behind in filtering the blood of poisons. As these poisons attack the nerves, the result is felt in spells of vertigo, just as drunkenness will make a man dizzy from the poisoning of alcohol. Dizziness, headache, backache and irregularity of the kidney secretions are all signs of weak or disordered kidneys and should not be neglected. Use Doan's Kidney Pills, the home-endorsed kidney remedy. Read this La Grande resident's statement:

Mrs. C. L. Johnson, 802 Spring St., says: "I have been subject to kidney disorders at times which has caused a dull pain across the small of my back. My head has ached and I would get so dizzy I could hardly walk across the floor. During an attack my kidneys have acted irregularly and I have felt miserable in every way. After I have taken a box or two of Doan's Kidney Pills, however, I have been freed from all kidney trouble. My back would stop aching, my kidneys would act regularly and in every way I would feel as well as ever."

SAMSON TRACTORS

SAMSON SIEVE-GRIPS IN A CLASS BY THEMSELVES.

Original ideas developed through experience and necessity are embodied in Samson Sieve-Grip Tractors. You will find features there not thought of by others.

Recently we have secured letters patent on the method of connecting the air breather of a gas engine crank case to our patented NODUST-MOISTO-RIZER. This will be another exclusive feature in Samson Sieve-Grip Tractors, or otherwise an infringement if used by others.

The close connection of our management, being direct in touch with the actual operation, wants and requirements proving to be necessary in the small size farm tractor, we attribute largely to the success of the Samson Sieve-Grip.

It is our aim to manufacture a one hundred per cent efficiency tractor, sold at a right price, and give service that secures satisfied customers.
