LAST NIGHT OF ZOE RAE PICTURE.

Tonight will be the last time the Butterfly picture will be shown starring the wonderful child actress, Zoe Rae. Little Miss Rae is a big favorite around the studio and is a strong believer in the conservation of food. She has her own garden in which she plants a batch of beans and each morning before she goes to the studio she takes a few minutes off to look after her bean patch.

On Tuesday and Wednesday Helen Holmes will be seen in the fourth chapter of the great Railroad Raiders' Story. This installment is called "A Race for a Fortune," and shows how Helen Holmes becomes a secret service agent but is badly handicapped by Superintendent Frost. After many thrilling stunts Frost is rescued from the raiders by Helen who in turn is made a captive and carried away in a boat. They are pursued by a harbor patrol and Helen is tied to a 50-lb anchor and tossed her overboard. After a hard struggle she is successful in loosening the knot and is finally rescued by the patrol boat. The raiders narrowly escape capture in the ending of the chapter but they get away after a fight, leaving Helen in possession of information that seems certain to lead to their early arrest.

On the same program with Helen Holmes, Harry Carry, the great Western actor will be seen in a strong drama called "The Drifter" and Lonesome Luke will be here in another of his funny comedies.

MARINES MUST HAVE KNOWLEDGE OF RIFLE.

(United Press.)

PHILADELPHIA, Oct. 29.—Knowledge of the rifle and all of its parts is an important part of the training given to United States Marines at their League Island camp, here. At first, this proves puzzling to the raw recruit. During the morning inspection, recently, one of the future sea soldiers handled his rifle poorly, and was taken to task by the officer.

"Are you acquainted with the parts of your rifle?" he asked, sternly.

"Yes, sir," the recruit replied.

"Well, where is the balance located?"

"I don't know, sir," said the Marine glancing nervously at his rifle. "It was here this morning."

MAY MAKE RECORDS OF VOICES OF SOLDIERS.

(United Press.)

WASHINGTON, D. C., Oct. 29.—That members and relatives may hear the voices of beloved ones, who are serving with the United States Marines in France, a Massachusetts woman has suggested that blank phonograph records be forwarded to the boys in the trenches.

"Such records will prove dear to every household from which a son is serving; it means that even though he be killed in battle, his voice can still be heard by those he held most dear," writes the woman to Marine Corps officials here, who have taken the matter under consideration.

WALLACE REID IN UNUSUAL AND THRILLING PLAY.

Wallace Reid, the ever popular Lasky-Paramount star, will be seen at the Arcade Theatre, today and tomorrow, October 29-30, in his latest Paramount picture, "The Hostage" a story written especially for him by Beulah Marie Dix and produced for the Lasky Company under the direction of Robert T. Thornby.

The story of "The Hostage" in which he is now appearing, is a most unusual one as it shows the attitude of rival people towards one another. The story has to do with the attitude of Lowlanders towards Mountaineers. Each one accuses the other of barbarism and cruelty, but when they both unite to fight the people of the Coast, their attitude changes.

This production serves to introduce to Paramount patrons a new leading woman Dorothea Abril. Miss Abril has for some time been a member of the Paramount organization and her splendid work in support of Mary Pickford in "The Little American" led her to be chosen to play leading woman for Mr. Reid in "The Hostage."

In the cast supporting Mr. Reid are C. H. Gelber, Guy Oliver, Noah Berry, Gertrude Sauer, and others besides Miss Abril.

Guy F. Talbot, president of the Pacific Power & Light Company, of Portland, has been elected president of the Northwest Electric Light & Power Association for 1917.
