

Hilgard Notes

HILGARD, Ore., Oct. 29.—(Specil.)—Mrs. Sadie Connor went to La Grande Saturday, returning Sunday morning.

William Farrell has purchased the Holverson property and will remodel the house before moving in.

William Conditt went to La Grande Saturday to meet his wife who had spent the past week visiting with relatives. They returned to their ranch Saturday evening.

Local nimbros have stalked several deer during the past two weeks, but so far have been unable to bag any.

Fred Thal and family were visitors to La Grande Saturday.

The Hilgard school is preparing a Halloween program for Wednesday evening.

A school meeting was held Saturday afternoon to vote a budget ap-

propriation for the next school year. Some improvements are included in the budget.

Several changes will soon take place in the local station. The present agent Mr. Frederick and his wife who is night operator, will both go to a small station west of Meacham, so there will be two places to fill. Several applications are already in for the agency.

William Saling was in town Sunday with his new auto truck.

All the cattle from the car, which was opened during the collision and fire a couple of weeks ago, are accounted for except two steers which have not yet been found.

Sunday school is again being held regularly at 3 o'clock at the school building.

HALLOWEEN PARTY.

The children of the St. Peter's Sunday school are invited to attend a Halloween party at Honan Hall, Wednesday, from 4 to 6 P. M.

Man Troubled for Two Years.

Men and women should not suffer from backache, rheumatic pains, stiff joints and swollen, sore muscles, when relief can be easily had. James McCrory, Berrien Center, Mich., says he was troubled with kidney and bladder trouble for two years; would have to get up several times during the night and had pains across his kidneys. He used several kinds of medicine without relief, but Foley Kidney Pills cured him. Many such letters, come every day from all parts of the country. Adv.

Sold in La Grande and recommended as world's best corn remedy by La Grande Pharmacy, Red Cross Drug Store and C. D. Putman.—Adv. 9-11-17.

"I'll Show You How Corns Peel Off!"

Ever Peel a Banana Skin? That's It!

"I should worry about those corns—I just put some 'Gels-It' on." Corns used to plaster the world into a frenzy, enduring pain, digging, slicing toes, tinkering with plastera-

"Gels-It" Puts Your Feet in Clover—It ends corns quickly. and tape, trying to fix a corn as it wouldn't hurt. But how no one in the world "should worry," because the moment you put "Gels-It" on, it means the end of a corn. There is nothing in the world like "Gels-It"—nothing as sure and certain—nothing that you can count on to take off a corn or callus every time, and without danger. The corn never grew that "Gels-It" will not get. It never irritates the flesh, never makes your toe sore. Just two drops of "Gels-It" and presto! the corn-pain vanishes. Shortly you can peel the corn right off with your finger and there you are—corn-free and happy with the toe as smooth and corn-free as your palm. Never happened before, did it? Guess not.

Get a bottle of "Gels-It" today from any drug store, you need pay no more than 25c, or send on receipt of price by E. Lawrence & Co., Chicago, Ill.

Go Fifty-Fifty On Your Smokes

Every time you buy a smoke, send a smoke to send a soldier in France.

When you pick out a "two-for-a-quarter" cigar, add another quarter to The Observer Tobacco Fund.

Your quarter will buy two packages of cigarettes for instance, or a couple of cigars. But it will do almost twice as much for one of our fighting men. It will send him a kit which contains 2 packs of cigarettes, 3 sacks of good old "Bull" (they're cabling for that) also papers, and a tin of tobacco for his pipe—45 cents worth.

Think of that the next time you lay a quarter on the cigar counter. Go fifty-fifty: it's easy—we do all the work.

And you get a postal from the soldier who smokes on you.

Go 50-50 on your smokes.
