Go Fifty-Fifty On Your Smokes

Every time you buy a smoke, send a smoke to send a soldier in France.

When you pick out a "two-for-a-quarter" cigar, add another quarter to The Observer Tobacco Fund.

Your quarter will buy two packages of cigarettes for instance, or a couple of cigars. But it will do almost twice as much for one of our fighting men. It will send him a kit which contains 2 packs of cigarettes, 3 sacks of good old "Bull" (they're cabling for that) also papers, and a tin of tobacco for his pipe—45 cents worth.

Think of that the next time you lay a quarter on the cigar counter. Go fifty-fifty: it's easy—we do all the work.

And you get a postal from the soldier who smokes on you.

Go 50-50 on your smokes.
