

Fresh Candy From Factory To You

For many years the name McDonalds has stood for confectionery quality.

There is another thing, however, which should be considered as important as quality, this is freshness.

We receive weekly shipments of McDonald's delicious Candies. The large demand for them guarantees freshness, so that is why we say:

WHILE AT WAR WOMEN SUFFER AT HOME

EMERSON, OREGON.—I certainly owe a great deal to Dr. Pierce's Remedies; through different times they have saved my life. One time I had trouble with my lungs and the doctor said that I could not get well. I took Dr. Pierce's Golden Medical Discovery and it cured me. During another illness the doctors said there was no chance for my recovery. I took two bottles of Dr. Pierce's Favorite Prescription and got well. Again doctors said that the only thing to save my life was an operation, and at once, too, I again took the 'Favorite Prescription' and the 'Golden Medical Discovery,' and they brought me through just fine—well, and without an operation, so I cannot speak too highly of these wonderful remedies.—MRS. ALMA JARVIS, 402 W. 2d St.

ROSEMUND, OREGON.—"During pregnancy I was so poorly I could not keep a thing on my stomach, and my head and back ached terribly all the time and I was so nervous. A friend told me about Dr. Pierce's Favorite Prescription. I took three bottles and never had any trouble afterward. The first dose helped me. My baby was a nice, healthy child. I think the 'Prescription' is simply great. I am glad to recommend it."—MRS. C. A. FRENCH, 321 Mosher Street.

"Favorite Prescription" and "Golden Medical Discovery" are both put up in liquid and tablets. If not obtainable at dealers, send 10 cents to Doctor Pierce, Invalids' Hotel, Buffalo, N. Y., and he will mail trial package of either tablets.

OLD TAXI LINE GROWING BIGGER

TO THE PUBLIC:
It is with great pleasure that I can announce to my patrons and the public generally that I have enlarged my Taxi service and that hereafter my cars will be available for taxi use any hour of the day or night.

This Taxi line, the first and oldest in the city, is now made up of four reliable cars and two more dependable drivers have been employed—these cars and these drivers are at your service any hour of the day and night.

Another matter: Our headquarters are now at the Savoy Hotel and not at the former stand. If you don't call Main 713, or see the drivers of our cars which are plainly marked "SHORES' Taxi" you are not getting the Shores' service.

Further: In opening our enlarged taxi service business we want to heartily thank the public for their past patronage, and also we wish to assure the public that our service is managed with the purpose in view of giving good service, first class service, at the most reasonable terms.

Yours very truly,
11-1-2t.-pd. B. W. SHORES.
