JOSEPH NEWS NOTES

Joseph, Ore., Nov. 6—(Special.)—Dr. Verdo B. Gregory was called to Wallowa last Sunday morning. James Burleigh, A. C. Miller of Enterprise and F. H. Gaulke of Joseph were at the Assembly of the High school last Thursday and gave very fine talks along the line of food conservation. A large body of townpeople were in attendance, the Joseph band gave several selections and the stores were closed while the meeting was in progress. A large number of food saving pledges were signed as a result of the meeting. Joseph has had many kinds of weather within the last four or five days. First it was bitter cold, then balmy after which wind and rain made their appearance. George Boner, manager of the Shamrock Pool Hall has purchased from Mrs. J. C. Edsell the Candy Kitchen. Mr. Boner will run his newly acquired possession with the help of his two clerks, Miss Nellie Graves and Miss Jean Patten, he will also continue to run his pool hall as before. The Joseph Milling company's mill is still running both day and night as the demand for the excellent Chief Joseph flour far exceeds the demand. John Egenesperger, manager of Wallowa Lake Park has just received a letter from his wife and son, who recently left for Cleveland, stating that Mrs. Egenesperger's heart trouble is much better since going to the lower altitude. Fong, the Chinese cook who ran the restaurant at Wallowa Lake Park this summer is back again after a short vacation to take his place as owner and chief cook in the Joseph Restaurant, which was formerly operated by Chin Jim. Miss Mae Archer, who had such fine success in managing the Park Restaurant will manage the Joseph Restaurant. Last Friday afternoon the High school was the scene of two very interesting literary meetings, the literary society holding their meeting in the assembly hall while the Philomathians met in the study room. They were the opening meetings of the year and both were very fine. New members from the freshmen class were taken in by both societies, the Literati receiving about ten while the Philomathians received two. The following Joseph High school students purchased Liberty Bonds: Rue Whitmore, Warren Boner, Arthur Rudd, Guy Morelock, Vera Cole, Nettie Medesker, Grace Caviness, Cleo Morelock, Jessie Crader, Lucile Knapper, Wilbur Rowe, Hugh Cole, Donald Beith, Curtiss Shinn, Leontine Morelock, Irene Gaulke, Guy Morelock, Selwin Gaulke and Ollie Crader, also these teachers bought bonds: Miss Alta Spaulding, Miss Jennie Shepherd and Miss Lexie Strachan. New swings, slides and play ground apparatus of all kinds is being installed on the Joseph school grounds under the capable direction of Max Wilson. Mr. Wilson also installed Enterprise's play ground apparatus several years ago. Last week the local Red Cross sent twenty-five Christmas boxes full of candy, games and eats of all kinds to twenty-five U. S. soldiers who are "Somewhere in France," while this work was going on the ladies were also busy making surgical dressings and knitting goods of all kinds. Charles Rice, a former Joseph rancher, and wife are back for a short visit in Joseph. Mr. Rice is now doing farming in Alberta, Canada. Summerville Notes

Summerville, Ore., Nov. 6—(Special.)—Population here is increasing right along—a little daughter—7 1-2 pounds—came to the home of Mr. and Mrs. E. C. Wagoner, on the evening of the 2nd inst. Mother and babe are getting along fine. Clifton has almost recovered his equilibrium. Mr. and Mrs. Dan Murchison and children spent Sunday with the J. A. Murchisons, who are soon to locate in the Cove. Attorney Denham, from Elgin, was in town Monday (5th) morning. D. L. Sanderson and family spent Sunday at the home of Mrs. Lee Fine. Dr. Belle Myers spent Sunday with her parents, Mr. and Mrs. C. A. Myers. Mrs. I. W. Littrel and daughters, Ardra and Ruth spent the week-end with relatives and friends here. H. F. Sawyer, late of Vancouver, Wash, was in town on Sunday. Rev. Archer, our pastor, and Prof. Starr, principal of our school, certainly did their best to help save apple and potato crops for the Imbler farmers. School closed four days last week, solely for that purpose; and when you consider the circumference of Mr. Archer's anatomy around the equator, you can readily appreciate the heroism on his part in picking up potatoes. All who could be spared from here went along to help. Thos. McKinnis and family, who formerly lived here, but are now located near Springfield, Ore., are here on a visit for an indefinite length of time—for a month at least. D. L. Sanderson killed a fat yearling the other day and had no trouble in disposing of the surplus.

Central Appreciates Your Kindness

There are three operators concerned in every telephone call—you, the party you are talking to and "central." All three parties must co-operate if the best service is to be had. The telephone operators are human, just as you are. Being human, they appreciate kindness and courtesy, but resent unkindness and discourtesy just as any of us do. Kindness begets kindness, courtesy creates courtesy and patience encourages patience. If you wish to get the best out of your telephone, make it a point to be kind and courteous to the operators.
