Miss Louise Slon was a visitor in our town a few days ago. Miss L. M. Hug monopolized her company, it looked like to me.

Frank Oliver has a fine looking barn where a few days ago there was not a sign of it. Many hands and a good "boss" can do wonders.

Since Mr. Hahn has installed meters the lights are turned off somewhat earlier at some places than they were before.

Mr. and Mrs. Leo Niederer and Messrs. Jno. Niederer and Celfton Wagoner were up to see the wrestling match.

There were many from here who were so fortunate as to hear Vice-president Marshall at La Grande on the fifth.

The Pentecostal meetings conducted by Rev. Frank Batchelor are continuing through this week. This is the fourth week.

**JOSEPH NEWS NOTES.**  
JOSEPH, Nov. 12. (Special.)—Mrs. F. H. Gaulke, president of the Joseph Red Cross society, has received notice that ten more Christmas boxes will be required of Joseph to send to the Marines. Twenty-five boxes have already gone from Joseph to the soldiers "somewhere in France." At present the Red Cross ladies are working every afternoon making surgical dressings, many do knitting at home and some even go to the rooms in the morning and take their lunches and work during the noon hour and in the afternoon.

Last Thursday night about \$210.00 was raised at the Red Cross ball in the new garage. A large crowd attended and a fine time was had by all.

S. L. Burnaugh of Enterprise has purchased Dr. Bernard's drug store in Joseph. Dr. Bernard is an "old timer" in Joseph and has been in the drug business about as long as Joseph has existed. The Doctor does not yet know what he will do.

The new playground apparatus at the school is rapidly taking form and several pieces have already been put into use.

On Thursday evening of last week Glenn Robinson and Arthur Rudd attended a Y. M. C. A. War Work meeting at La Grande. The boys went as delegates from the Joseph High School. They came home with many inspirations and started the Y. M. C. A. in the school. On the first day about twenty boys of the High School agreed to give \$10 each for the cause and the boys in the grades will probably add one hundred or more dollars to the High School's amount.

W. M. Bernard, formerly of McMinnville, Oregon, has started a tire repair shop in Joseph.

Mrs. Sarah Huff, of Crow Creek, was buried in Prairie Creek cemetery last Sunday afternoon. Rev. Cooke, of Joseph, officiating. Mrs. Huff was 92 years of age and was

### ARCADE

"THE LAW OF THE LAND" COMING TO THE ARCADE THEATRE TODAY AND TOMORROW.

Mme. Petrova, the famous Russian actress, will appear today and tomorrow at the Arcade Theatre in an adaptation from George Broadhurst's well known play, "The Law of the Land," which had a sensationally long run on Broadway a short time ago. This is a Paramount photoplay, directed by Maurice Tourneur. The story is of a woman, tried beyond her strength, who shoots the brute of a man who attempts to beat her boy. The verdict of any jury would have been against her for the circumstantial evidence was never clearer against the vilest criminal,—but the verdict of the Inspector who was sent to look up the case—well, you must see that for yourself to appreciate it—at

the Arcade Theatre, today and tomorrow.

**MARGUERITE CLARK COMING.**  
Winsome Marguerite Clark will appear on Monday and Tuesday at the Arcade Theatre in "Bab's Diary," the first film version of the famous "Sub-Deb" stories which appeared in the Saturday Evening Post and were written by Mary Roberts Rinehart. There will be several of these fascinating "Sub-Deb" stories, each complete in itself, being taken from the original diary of "Bab."

Mrs. P. O. Stuchell Tells How She Cured Her Son of a Cold.  
"When my son Ellis was sick with a cold last winter I gave him Chamberlain's Cough Remedy. It helped him at once and quickly; roke up his cold," writes Mrs. P. O. Stuchell, Homer City, Pa. This remedy has been in use for many years. Its good qualities have been fully proven by many thousands of people. It is pleasant and safe to take. Adv.

"HINTON'S DOUBLE" STARS FREDERICK WARD.

Frederick Ward's next appearance on the screen will be at the Star Theatre Saturday in the Pathe Gold Rooster Play called "Hinton's Double" the title of which will make the reader suspect it is a modern drama.

Asked how he liked the plunge from the classic into the modern, Mr. Ward told an interviewer that he

felt very well pleased as long as his followers throughout the country were. "Americans like novelty," stated the Shakespearean star, "and at least Frederick Ward in a play of the times is a strong novelty."

"In fact, when I told Mr. Thum-houser I would be glad to do the play, he made me a star in it twice, for good measure, I suppose."

Mr. Ward's remark is explained by the fact that he has a dual role in "Hinton's Double." He plays a get-rich-quick man and a humble clerk who resembles the crooked financier and whom the latter employs to serve a jail term for him.

Some unusual photographic tricks help the star's portrayal of the dual role.

### CANADA LIFTS BAN ON OLEOMARGARINE.

(United Press)  
OTTAWA, Nov. 10.—Beginning today oleomargarine may be manufactured and sold in Canada, and imported free of duty under a licensing system worked out by the food controller.

This step was taken by the food controller because the high cost of production and the demand for export were putting the price of butter beyond reach of many people.

The regulations will be in effect as long as the present abnormal conditions continue, it was announced.

**Certain Cure for Croup.**  
Mrs. Rose Middleton, of Greenville, Ill., has had experience in the treatment of this disease. She says, "When my children were small my son had croup frequently. Chamberlain's Cough Remedy always broke up these attacks immediately, and I was never without it in the house. I have taken it myself for coughs and colds with good results." Adv.
