PRO-GERMAN CANARY FOUND.
Enemy Bird Refuses to Sing While War is on—Strikes.

SPOKANE, Wash., Nov. 17.—Discovered, a pro-German canary!

Chet Edwards' Hartz mountain canary, for the last 10 years a beautiful singer, has not uttered a note since the United States entered the war.

The Hartz mountains are in Germany and the bird sympathizes with its native land.

That's Chet's only explanation of the canary's strike.

Scio Tribune—Next year we will elect new county and state officials. Especially should we be careful in the selection of our legislators and members of the county court, for these officials have more control of expending public money than others.

Little Ones and Old Ones.

James Edwards, 208 Harriette St., Montgomery, Ala., writes: "I sleep all night and cough but little. I feel like a new man now from using Foley's Honey and Tar. My whole family is using it now—the little ones and the old ones. It has cured our coughs and broken our colds." Foley's Honey and Tar clears stopped air passages, removes phlegm, heals raw inflamed membranes, soothes sore chest, makes difficult breathing easy, and relieves those deep-seated, racking coughs.
