

The Germ of La Grippe Produces a Very Virulent Poison

The grippe poison is deadly to the life-giving cells of the blood. For this reason it destroys one's vitality very rapidly.

A neglected cough or cold often leads to a case of La Grippe. Therefore, grippe should be treated promptly when the first symptoms are noticed.

A. D. S. GRIPPE BREAKERS

are safe and reliable. They will soon overcome an attack of grippe, tonsillitis and similar ailments.

It relieves aches and fevers very promptly. Keep this remedy on hand during the winter season and use it to ward off colds which are usually the forerunners of more serious complaints.

In the Leonard Billings property near Union after Wednesday, Nov. 21.

And all this time another wedding was being prepared for at North Yakima when at 8 o'clock Saturday evening, November 17, Willie Keown of Imbler and Miss Ruth O'Neal were joined in the holy bonds of matrimony. Willie is a highly respected young man of Imbler, while Miss O'Neal is one of North Yakima's most accomplished young ladies. Imbler joins with a host of friends in wishing them a smooth and happy journey down the stream of wedded life. The strange thing about these weddings were that they were both brothers and one never knew that the other was contemplating getting married. J. H. Walker of this place had told the boys that the first one that got married was to get a fine wedding present which he had for them and in Willie's letter to his parents he said to tell J. H. W. to fire on the present, while Archie beat him to it by about five hours.

PIMPLY? WELL, DON'T BE!

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, the bowels and the liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's never any sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with "a dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result.

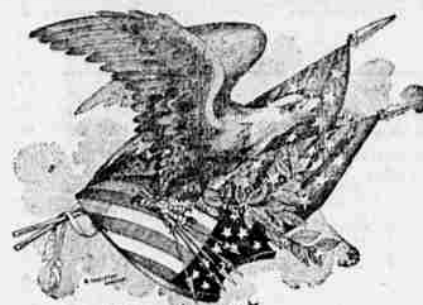

Take one or two nightly for a week. See how much better you feel and look. 10c and 25c per box. All druggists.
