GUNBOAT SMITH TALKS OF RETIERING FROM RING

By H. C. HAMILTON
(United Press Staff Correspondent)

NEW YORK, Nov. 23.—Gunboat Smith, the famous old "Gooner" of the very white hope days, informed the world, at large, that he is just as likely as not to step down and out of the first game. Gunboat Smith, conqueror of Jess Willard and dozens of lesser bunnies of beef in his hey-day, is all muddled up about the way things have been done in his young life.

WOMEN ARE NEEDED TO HELP IN WAR.

Women can be usefully employed in making the wounded, in making up the soldiers' kits, and in a thousand other ways. Many American women are weak, pale or anemic from woman's life. For young girls just entering womanhood, for women at the critical time, nursing mothers and every woman who is "tired" or "fed up" or "overworked"—Doctor Pierce's Favorite Prescription is a special, safe and certain help. It can now be had in tablet form. You can procure a trial package of the tablets by writing Doctor Pierce, Chief of Staff at Invalids' Hotel, Buffalo, N.Y., enclosing 10 cents. Write in full confidence if you desire free medical advice also.

ROSEMARY, Oregon.—"There is nothing so good as Dr. Pierce's Favorite Prescription for all diseases of the female system. I took it for inflammation and it cured me. I also took it during my pregnancy and I was well all the time. I had no headache, no backache, no morning sickness, no sour stomach, no bloating."—Mrs. M. B. Heston, Mosier Street.

ARIZONA, Ontario.—"My blood was bad for a long time and I was all run-down, and severe headaches, was nervous and tired all the time. After trying different remedies without getting any better, I decided to try Dr. Pierce's Remedies. I took the 'Favorite Prescription' and the 'Golden Medical Discovery' according to directions and was restored to perfect health. I can conscientiously recommend them."

"My mother always used Dr. Pierce's Remedies. She gave me the 'Favorite Prescription' when I was coming into womanhood."—Mrs. C. C. Messinger, 200 Duane Street.

WANT HAD MEDICINE FOR HORN
Travel Ward, Plenty of Jobs, Dr. Pierce's Favorite Prescription; Many John Army.

PORTLAND, Nov. 23.—The job, at least in the northwest, has been a good one.

Today was the declaration of railroad men and police alike. The job doesn't seem to be very hard with John a plenty and money at all times and all kinds of things. Travel is all right. From the 14th morning, there's work of any kind. Many have joined the army.

So, say the police, it is farewell to the home.

As we grow older and less active, lean and less food is required to meet the demands of our bodies. If too much is habitually taken, the stomach will reject. When a man reaches the advanced age of 40 or 50, you will find that he is a little enter. Be careful, as you will, however, you will not eat more than you should and will feel the need of Chamberlain's Tablets to correct the disorder. These tablets do not irritate the stomach, but strengthen the stomach and enable it to perform its functions naturally. They also cause a gentle movement of the bowels.

SMITH'S CHIEF HURT IN THE WAY HE HAS BEEN MANAGED—OR, MAYBE PUT HIMSELF, MISMANAGED.

Smith's chief hurt lies in the way he has been managed—or, maybe put himself, mismanaged. Jim Buckley, according to the one-time champion of white hope, didn't give a very large hang about what happened in the Gunner. Matches were made and carried out in a desecrated fashion, and Smith declares Buckley was always hard to get along with.

Somebody asked Smith if he was looking for a new manager, after having dropped Buckley. Well, he didn't know, but he wasn't getting terribly excited about it. Maybe he would and maybe he wouldn't.

The straw that tipped the balance was laid on the Smith scales in California, where the Gunner made a bad showing in a bout of 20, and was promptly informed of the fact by the knowing California fight fans. They declared the Gunner a regular "whoosis," and decided to have nothing more to do with him. And that was rather strange, too, for it was in California that Smith was matched with the huge bulk of timid beef that now holds the heavyweight championship. What Smith did to Jess Willard, that night was a terrible thing, and the Californians predicted that in the heavy fists of the old "Gooner" lay the power that would move along all right.

BRITISH PEACE TAXES TO ENCOURAGE MARRIAGE

LONDON, Nov. 23. (AP Mail).—When the British government is contemplating granting an income-tax exemption of \$250 a year to married men does it mean they figure the upkeep of a wife is that amount?

British wives are wondering if their husbands are going to make them keep their personal expenses within that amount.

But, speaking seriously, the government's contemplated change is said to be inspired mainly by the desire to encourage marriage. Post-war man-power is daily becoming a matter of more serious consideration.

Stanton has granted a franchise for a new railroad through town, would bring the heavyweight title back to the white race.

The Gunner, too, has had his trials with Sam Langford and other illustrious opponents of amish. He once fought George Carpenter in London, and lost on a questionable foul. He met them all—barred, rebuffed and in general good old craft right now. His retirement would be a regrettable thing in the game so has been identified with for so long.
