It is, moreover, a gift that constantly increases in value from year to year. Its expense to you can be made as little as \$1.00—or as much more as you wish.

We will be glad to have you call.

Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets.
Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study with his patients.
Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color.
To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days you must get at the cause.
Dr. Edwards' Olive Tablets set on the liver and bowels like calomel—yet have no dangerous after effects.
They start the bile and overcome constipation. That's why millions of boxes are sold annually at 10c and 25c per box. All druggists. Take one or two nightly and note the pleasing results.

Mothers of Oregon Prepare for Trouble!

When a girl becomes a woman, when a woman becomes a mother, and when a woman passes through the changes of middle life, are the three periods of life when health and strength are most needed to withstand the pain and distress often caused by severe organic disturbances. Many thousands along the Pacific Coast would testify just as do the following:

MORRIS, OREGON.—"I am certainly glad to recommend Dr. Pierce's Favorite Prescription. I think it is a God-send to womanhood. During expectancy I was often sick with that terrible morning sickness. I was so bad that I just could not eat one thing. I commenced taking Dr. Pierce's Favorite Prescription and I was relieved at once—no more nausea, no headaches, no backaches, and I got through so well."—Mrs. W. T. POUKARA, Cove McCready Camp.

SOMERLA, OREGON.—"I have suffered everything during expectancy but the time I took Dr. Pierce's Favorite Prescription and I never missed a meal and had comparatively no suffering. I would surely recommend the 'Prescription' to all prospective mothers and, also, for young girls coming into womanhood. A friend is taking this medicine now as I advised her to and she is improving fast. One would not know she was the same woman."—Mrs. H. B. OTSON.

California

The very name means color, and beauty, and romance, and boundless charm. A very world of sunshine, fruit and flowers, where just to live is wonderful. But California offers a great deal more—out-door sports of every kind, boulevards, beaches, orange groves, missions, an array of places to visit and things to do equaled nowhere else in the wide world. A new, and a broader view of life is granted those fortunate ones who visit California.
