Soldier Fives Begin Series of Contests Tonight.

CAMP LEWIS, TACOMA, Wash., Dec. 4.—The basketball season at Camp Lewis will be formally opened tonight with the first of a series of company games between units of the 261st infantry regiment.

The best company team will be selected in each regiment and games between the regimental champion quintets will determine the best team in the camp.

With the best team in the entire division selected, various teams in this part of Washington will be challenged and, if victorious with the local teams, teams from eastern cantonments will be asked to play.

Old Soldier Gives Recommendation. Gustav Wangelin, Commander of G. A. R. Post, Pinckneyville, Ill., writes: "I highly recommend Foley Kidney Pills, which I prefer to all others I have used and consider them 'Johnny on the spot.'" Foley Kidney Pills give quick relief from backache, rheumatic pains, stiff, swollen joints, languidness, pains in groin and muscles, all other symptoms of kidney trouble and sleep disturbing bladder ailments. They assist nature in restoring strength and vitality. Sold everywhere.—Adv.

Mr. A. W. Smith of Baker, District Deputy of the Knights of Columbus will be in La Grande tomorrow to install the local officers.

The Catholic Lumber Knitting Unit will meet tomorrow afternoon at the residence of Mrs. Clarence Charbonneau, 2007 First Street, near Adams avenue.

FROM EXCHANGES

Approves Red Cross. The Rt. Rev. Dr. Charles D. Williams, Bishop of Michigan, who recently returned home from France, states that "until the United States soldiers got in the trenches the nation's biggest duty is to keep up the morale of France. The Red Cross organization over there is the greatest piece of human beneficence that I have ever seen. Some of America's best business men sacrificed their business, and organized a wonderful Red Cross organization in France. All America need do is to pour money into that organization and realize that it will be well spent."

"The American Red Cross is in charge of from 1,700 to 2,000 hospitals in France, in addition to all its other humane work."

"I have seen German airmen bomb undefended towns like Harbledon with their big Gotha airplanes. They

DRIVE AWAY HEADACHE

Rub Musterole on Forehead and Temples

A headache remedy without the dangers of "headache medicine." Relieves headache and that miserable feeling from colds or congestion. And it acts at once! Musterole is a clean, white ointment, made with oil of mustard. Better than a mustard plaster and does not blister. Used only externally, and in no way can it affect stomach and heart, as some internal medicines do.

Excellent for sore throat, bronchitis, croup, stiff neck, asthma, neuralgia, congestion, pleurisy, rheumatism, lumbago, all pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frost-bitten feet, colds of the chest (it often prevents pneumonia). 30c and 60c jars; hospital size \$2.50

with the four big acts of vaudeville. Janis and Rean are two very pretty young ladies who have but recently been in musical comedies where they were headliners in producing singing and dancing specialties.

The Hilliers are a clever young man and a talented young lady who have an interesting and novel entertainment entitled "A Miniature Cabaret." All of the numbers are introduced on a miniature stage by many different puppets with human heads. Their act is a most pleasing one and one that amuses the children as well as the grown-ups.

"The Lawyer and His Client" is full of fun and is put on by Davis and Earl, two blackface comedians. Both artists are clever in facial expressions and their skit has always pleased wherever it has been shown.

Tudor and Stanton, a man and woman, present a new novelty which they call "Ten Minutes in Frogland." The number consists of singing and feats of contortion that are exceptionally clever. Quite some comedy is introduced through the acting of the frog and has found favor with a large number of audiences.

In addition to the vaudeville some special music has been provided for and a very funny Keystone comedy will be shown, featuring the slim wonder, Slim Summerville.

S-T-A-R

SWIFT MOVING DRAMA AND RAILROAD RAIDERS.

Santa Cruz Islands were selected by Director Elmer Clifton for most of the scenes in the Butterfly picture "Flame of Youth," starring Jack Mulhall, which comes to the theatre today and tomorrow. The whole company was transported to the islands, where they remained for many days working out the story with backgrounds of some of the most beautiful scenery in America. Wonderful pictures of surf breaking on the rocky shore were secured, while some new silhouette effects were tried, with the sea for a background, and the figures in violent action against it. The action is never delayed for the sake of pretty scenic effects, which is so often the case in a picture staged in lovely natural surroundings. Mr. Clifton never loses sight of the fact that his story is his first consideration, and the lovely settings are merely incidental to it. Jack Mulhall has been provided with a most congenial role, calling for a display of first class swimming and diving on his part, in which he will satisfy the most exacting public, and his new leading lady, Donna Drew, plays the nymph of the island and looks the part to the life.

Also on the same program will be another installment of the Railroad Raiders, with the fearless film star, Helen Holmes. Many thrilling stunts are performed and the raiders are slowly but surely caught in the net that has been set for them.
