### ILLINOIS LEADS IN MARINE ENLISTMENTS

Men From Middle States Show Preference for Sea Fighting.

WASHINGTON, Dec. 5.—Since our participation in the war, Illinois leads all the states for the number of men enlisted in the Marine Corps. This state has also furnished the greatest number in proportion to its population, according to a report compiled by Marine Corps officials here.

The report shows some interesting comparisons between the inland and maritime states. Men from the former seem to prefer the Marine Corps service while those from Maine, California and other maritime states usually select some other military branch.

### VAUDEVILLE TONIGHT.

Tonight will see the appearance of the eighth Hippodrome Vaudeville Road Show to play at the Arcade. This week's bill is made up of singers, dancers, comedians, contortionists and a mannikin act. All of the different acts have more than pleased in the other towns where they have played and will no doubt please the audience at the Arcade tonight.

Thursday, Bluebird day, will see introduced a new star in Carmel Myers, who will appear at the Arcade tomorrow in "The Lash of Power." Kenneth Harlan, one of the greatest of young leading men, will head her supporting company in a sensational melodrama, replete with thrilling incidents. The play deals with a man's ambition to attain power through the possession of wealth; an ambition, once attained, leading him finally to an ignominious finish. The story was written by J. Grubb Alexander and Fred Myton especially to exploit Bluebird's newest star.

Alice Joyce and Harry Morey are at their best in the wonderful picture, "Within the Law" at the Arcade Monday and Tuesday. 12-5-17.

### MARGERY WILSON MAKES DEBUT AS STAR IN NEW TRIANGLE PLAY.

Margery Wilson, who appeared in "The Mother Instinct" and other Triangle plays, makes her debut as a star in "Mountain Dew" a tale of the Kentucky mountains during the moonshiner's reign which will be shown at the Star Theatre Thursday and Friday.

A wild little sprite of the hills, she meets a young novelist gathering material for a book. He is charmed by her native loveliness and determines to educate her. He manages to get the position of "boss of the school," and invites the girl to attend. Her father, an old feudist, objects to "larkin" and threatens the teacher, but the latter covers him with a gun and calmly proceeds with Margery's reading lesson. A bright romance with many humorous situations follows this episode.

Charles Gunn, the most popular of Triangle leading men, has the role of the teacher. Jack Richardson, Aaron Edwards, Mary Holland, Al W. Pilson and Thomas Dashington are also of the cast. Thomas Heffron directed the play which was written by Julien Josephine and Monte M. Katterjohn.

### SOCIETY

Frank Lewis, employed by the O. W. R. and N. and Miss Irene Beebe, a popular young lady of La Grande, surprised their friends by quietly getting married last evening. Justice of the Peace Williams performed the ceremony. It was soon rumored about the city that the wedding had occurred and their friends congregated and went in search of them. They were located at the Arcade and in order to escape the crowd they quietly crept out the stage entrance but were located by the serenaders who paraded them around the city to the accompaniment of a hand organ.
