Good to Have in the House. Coughs, colds, croup and tagrippe are prevalent. Colds promptly checked mean saving of time, money and health. Pneumonia and other serious illness may follow a neglected cold. T. F. Lynch, 199 Spring Ave., DuBois, Pa., writes: "For many years we have kept Foley's Honey and Tar in the house and it has saved many dollars in doctors' bills. It is fine for colds." A child's health is too precious to risk giving imitations or substitutes; insist on Foley's. Sold everywhere.—Adv.
