

Toys & Holly for Xmas

We recently came across an importer who had just imported a vast quantity of Toys. We got a large order of these and are going to give them away Tuesdays and Saturdays until Christmas—one toy with each fifty-cent purchase or over. These are not the ordinary cheap 5 or 10-cent toys but substantial and well-made 20 to 50-cent articles.

As soon as our Holly and Mistletoe arrives, we will let you know and arrange for you to get some for Christmas.

Ruddy Cheeks—Sparkling Eyes—Most Women Can Have
Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system.

If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time, and note the pleasing results.

Thousands of women as well as men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep in the pink of condition. 10c and 25c per box. All druggists.
