A Strange Coincidence.—Mr. Robert Pattison, Sr., is in receipt of a card sent to Robert Pattison, Jr., from Joland Garner, formerly of the O. W. R. & N. office here, who is now in France. Mr. Garner was not aware of the fact that Robert Pattison is also in France. He was sending the season's greetings.

Letter From Jess Andrews.—Frank Clark had a letter from Jess Andrews today. He says the boys are getting along fine. They are within sound of the big guns in a little village in France. He says by all means keep the army Y. M. C. A. and Red Cross work going. The boys are a little shy on music, having about worn out all they took from New York.

Income Tax Comes Next.—In a communication received by this paper Collector of Internal Revenue Milton A. Miller announces that a federal income tax officer will be sent into this county on January 3 and will be at the court house at the county seat and will be there every day ready and willing to help persons subject to the income tax make out their returns without any cost to them for his services.

A. building at all hours from 9:00 o'clock in the forenoon until 9:00 o'clock at night where registrants may apply for advice and assistance in answering the questionnaires. E. church performed the ceremony. The young couple left immediately for Portland expecting to be gone about two weeks. They will reside in Nebraska where Mr. Mason is the owner of a large ranch. He was formerly of La Grande with the United States National Bank.

Swamped With Business.—The O. W. R. & N. La Grande division is absolutely swamped with business. The messenger business is very heavy and the freight business is the heaviest done in the history of the road. Owing to the executive ability of the division force, and the good work of the shops the power is holding up remarkably well notwithstanding the fact that 18 engines have been loaned to the Short Line to help them out as they also are absolutely "snowed under" with freight.

"Keep the Pot Boiling."—There are only four more days to finish the collection of funds for the Christmas dinner to be given by the Salvation Army and everyone is urged to help before the time expires and the opportunity is past. The Army is offering what is called a basket dinner this year which will consist of chicken, beef, beans, sugar, milk, coffee, bread, canned fruit, potatoes, and flour and will be placed in the homes of most deserving and poor, sick, and also those whose means of support is small and the family large, and the necessities of life can scarcely be provided. No table dinner will be served this year as there are practically no unemployed who are able-bodied. **KEEP THE POT BOILING.**

Gave a Wild Goose Dinner.—Mrs. C. T. Johnson, of Spring Street, and her son, Oscar, personal record clerk in the O. W. R. & N. office gave a wild goose dinner to a few personal friends last night. The "piece de resistance", a Canada wild goose, was the trophy of Oscar Johnson on a recent hunt. Although geese are plentiful they are rather wild and it is quite an honor to bring one down. The dinner was a most pleasing affair and greatly enjoyed by the guests, and the host and hostess thoroughly enjoyed the shooting yarns told when coffee and cigar time came. Many tales of birds made in the old days when ducks and geese were shot in such quantities that they were packed down in barrels for the winter, were told. It is claimed that Mr. Joseph Eugene, formerly chief dispatcher on this division took the honors as he is a renowned duck hunter and a connoisseur of note.
