to every registrant included within such posted notice, as provided in Section 32 hereof; and notice of every subsequent action taken by either the local or district board in respect of each registrant shall be given by entering a minute or date of such action on the classification list (Form 1000) in the office of the local board, and in addition to such entries, by mailing to the registrant, and in some cases to other claimants, a notice of such action.

Whenever a duty is to be performed or a period of time begins to run within which any duty is to be performed by any such registrant, or within which any right or privilege may be claimed or exercised by or in respect of any such registrant, a notice of the day upon which such duty is to be performed, or such time begins to run, shall be mailed to the registrant, and the date of such mailing of notice shall be entered opposite the name of such registrant on the classification list (Form 1000), which is always open to inspection by the public at the office of the local board. In addition to the mailing of such notice to registrants, notice of the disposition of claims made by other persons in respect of registrants shall be mailed to such other persons. Either the mailing of such notice or the entry of any such date in the classification list shall constitute the giving of notice to the registrant and to all concerned, and shall charge the registrant and all concerned with notice of the day upon which such duty is to be performed, or the beginning of the running of the time within which such duty must be performed or such right or privilege may be claimed, regardless of whether or not a mailed notice or questionnaire is actually received by the registrant or other person.

DEFERRED PERCENTAGE ORDER IS CHANGED

FORMAL CALLS OF PRESENT QUOTA ON FEBRUARY 15

Local Exemption Board Instruction by Adjutant-General Concerning Important Army Order.

The local exemption board has received official notices from Adjutant-General John Williams, dealing with deferred percentages of the present quota. She order says:

"It has been decided that there will be no more formal calls for deferred percentage of the present quota before February 15. While boards should, until they have enough men finally classified in Class I, send forward promptly men selected under the old regulations to make up deficiencies in calls already made, the result of this decision will be that we shall be able to give the benefit of the new classification system to all men whose order numbers are so late as to place them within deferred percentages of the present call. Call will, however, be made very shortly under the provisions of Section 149 for the special class of men there mentioned. For the sake of composing the public mind and for the convenience of registrants this information ought to be given wide dissemination."

Lieutenant Pauline Knautz and Lieutenant Ronald Eberhart, formerly of the La Grande Salvation Army Corps, but now engaged in Army work at Salem and Eugene are visiting their parents in the city. They will have charge of the meetings at the Salvation Army hall on Jefferson Street, Saturday night at 8:00 o'clock. Alton on Sunday night.
