

Our Regard for Small Details Means Perfect Prescription Service.

Perfection in anything is made up of regard for many small details. Our prescription service includes care in every detail that can add to its completeness.

An example will illustrate this: When a prescription is brought to us to be refilled we use a new bottle, label and cork. It goes to you not only attractive in appearance, but in every detail it is precisely as it was at its first compounding.

Carelessness in minor details often leads to more serious neglect—so we tolerate no step in that direction. All prescription work at our store is conducted with skill and care.

Notwithstanding the superior character of our service, prices on prescriptions are always reasonable.

A WAR PRAYER

By James Waterman Vice of the Vigilantes.
Father, we beseech thee
Guard our boys tonight,
Keep, we pray, their footsteps
On the paths of right.

We have sent them gladly,
For the fight is just,
Yea, their cause is holy,
Glorious their trust.

Hold their fates, O Father,
In thy wondrous hand,
Bring them back, if may be,
Back to grace our land.

For we loved them dearly
But our path was clear;
Honor unto us send them,
Father, be thou near!

But if they must leave us,
If it be thy will,
Father, we implore thee,
Guide and guard them still.
