"Who Will Win This Battle?"

Your kidneys are the filters of the body. If they become inactive and fail to eliminate the waste matter, they are apt to throw the whole mechanism of the body out of order, thus toxic poisons can accumulate in the system and be as deadly as snake venom.

Besides causing the minor ailments of rheumatism, sciatica, lumbago and backache, neglect of the kidneys is apt to develop into more serious diseases, such as diabetes or stone in the bladder.

Rid the body of toxic poisons—clean the bladder and kidneys and cure the twinges of rheumatism with Anuric and you win the battle of life.

Anuric was first discovered by Dr. Pierce, and has benefited thousands of sufferers as well as appressed and eliminated the ravages of the more serious kidney diseases. Now procurable at any good drug store, or send direct to Dr. V. M. Pierce, Buffalo, N. Y., 16 cents for trial package.

Mrs. B. G. COKER says: "When I commenced the treatment of Anuric I was in bad shape. My back ached all the time and oh! how my back would ache at night until I would have to get up. I could never sleep all night. But since I have taken the Anuric Tablets my backache is all gone and I can lie down and sleep good and sound all night. Oh! how much better I do feel—no one knows but myself. My advice to all sufferers of kidney troubles is to try Anuric a trial and they will find relief from their trouble."
