A Hint to the Aged.

If people past sixty years of age could be persuaded to go to bed as soon as they take cold and remain in bed for one or two days, they would recover much more quickly, especially if they take Chamberlain's Cough Remedy. There would also be less danger of the cold being followed by any of the more serious diseases. —Adv.

Oregon Grocery Company's Daily Recipe for Wheat Substitutes

FEBRUARY 22, 1918

BARLEY MUFFINS—I.

- 1 cup whole wheat flour. 1 cup Cream of Barley. 1/4 teaspoon salt. 2 teaspoons baking powder. 1 egg. 1 1/2 cups sour milk. 1/2 teaspoon soda. 2 tablespoons drippings or lard. Sift flour, Cream of Barley, salt and baking powder. Dissolve soda in a little cold water and add to sour milk, add beaten egg and melted fat. Bake in muffin pans in a moderate oven.

In compliance with the latest Food Edict, the grocer must sell 17 pounds of Wheat Substitutes with every sack of flour. Many of the substitutes recommended by Mr. Hoover are new to La Grande housewives. We take pleasure in recommending this recipe for tomorrow.

For the least bit of heedlessness on your part in food conservation, some one somewhere in the world must suffer privation. The food Administration has mastered the problem of America's food in such a way that every ounce of food conserved and kept in the currents of trade goes to the empty stomach of someone in Europe who is going to keenly appreciate it. IN KEEPING WITH THE BIG THOUGHT OF THE DAY

The daily press reflects a sentiment throughout the nation which clearly indicates a new condition.

Men are wanted everywhere. The work of this war is being arried on largely by those who never before have been in public office or in public work. Men who have been too busy, too engrossed with their own tasks, are leaving their work to others and giving their time and ability to the cause which is ours, yours, everybody's.

It is a time when politics in the ordinary sense must not be considered. It calls for all the ability that can be mustered. Oregon to be a successful part in this unit plan for the defense of democracy, must likewise place the thought of the times before everything.

In another part of this paper appears the announcement of L. J. Simpson as a candidate for the nomination for Governor on the Republican ticket. Mr. Simpson was urged to become a candidate by his many friends in every part of the state, because of his business record, his understanding and knowledge of Oregon's resources, industries and needs; because of his public-spiritedness, which of recent years has led him to tasks which have been more important to him than his own affairs.

L. J. Simpson is clearly the man who can give Oregon the administration necessary to this plan of National Efficiency.

His campaign will be directed straight to you as voters, as individuals who do your own thinking.

We are firmly convinced that you will not allow politics to influence your decision, and that you will vote for the man who is best fit to help the people of Oregon develop the state's vast resources and to prepare for and participate in the great reconstruction that is to follow.

We believe you will weigh issues more closely than ever before, and that L. J. Simpson will be your choice.

WHAT YOU CAN DO

First—Talk over his candidacy with your friends.

Second—If you believe that L. J. Simpson is worthy of your support, write a letter to this committee.

Suggest how his cause may be advanced. We, in turn, will tell you how you can help.
