WOOD CARVING

THEATRICALS AT FORT McPHERSON-GA.

ENJOYING GEORGIA WATERMELON IN FRONT OF THE CANTEEN

SOME OF THE PETS

Y.M.C.A. BUILDING AT HOT SPRINGS, N.C.

READY FOR A CONCERT

The above pictures give an idea of the treatment that is accorded German prisoners in America. While some of them are given congenial occupation, such as wood carving and similar arts in which the Germans are acknowledged to excel, they are by no means servile to menial tasks, especially when they are given the opportunity to revel in the famous Georgia watermelon.

The German passion for music and kindred amusements is gratified as far as the circumstances will permit in open air theatricals and no limitations are placed on membership on the "Little German Band," and is evidenced in the picture above and the one on the left. Y. M. C. A. facilities are also abundantly provided for war prisoners detained at Hot Springs, North Carolina.

### ELECTION HELD LEGAL

Court Confirms President of New World Life Insurance Co.

In a decision handed down yesterday afternoon Judge W. W. Zent, special superior court judge of Spokane county, found a verdict for John J. Cadigan, president, and E. J. O'Shea, secretary-treasurer of New World Life Insurance Company.

The moving spirit of this action was Thomas A. E. Lally, former vice-president of the company, who sought through introduction of a resolution to restrict Mr. Cadigan, the president, in voting proxies that had been given to him by the stockholders. The resolution restricted the president to voting for certain changes in the by-laws, and for the re-election of three trustees whose terms were expiring, thus insuring the perpetuation of Mr. Lally and his associates in office. Mr. Cadigan acted properly, the court ruled, in voting the proxies according to his best judgment.

The company's home office and field forces demonstrated their loyalty to President Cadigan in a very lively manner.

The company is in a very flourish-

ing condition financially, and had as of December 31st, 1917, over \$17,000,000.00 of insurance in force and over \$2,625,000.00 in assets. It made an increase of approximately \$11,000,000.00 in insurance in force over 1916, being the most progressive in the Company's history.

### This Corn Will Peel Right Off!

"Gets-It" Makes Corns Come Off The "Banana-Peel" Way!

Why have to stoop on the floor, squeeze yourself up like the letter "Z", and with bulging eyes draw your face up into a wrinkly knob while you gouge and pull at the "quick" of a tender corn? That's

2 or 3 Drops Applied in a Few Seconds—There's no Fussing or Cutting. "Gets-It" Always Works!

the old, savage way. "Gets-It" is the modern, painless, simple way. Lean over and put two drops of "Gets-It" on the corn, put your stocking and shoe right on again, and forget the corn. Pain is eased. "Gets-It" has revolutionized the treatment of corns. It never irritates the true flesh. You'll stop limping on the side of your shoe, and do away with greasy salves, bandaging, blisters, thick blisters and painful methods. Use "Gets-It". It's common sense.

"Gets-It" is sold by all druggists (you need pay no more than 25 cents), or it will be sent direct by E. Lawrence & Co., Chicago, Ill.

Sold in La Grande and recommended as world's best corn remedy by La Grande Pharmacy, Red Cross Drug Store and C. D. Putman.—Adv.9-11-17.
