

Tooth Brush Value

When you realize that a beef thigh bone, twelve inches long and four inches in diameter, will cut only two to four perfect tooth brush blanks, or handles, and that the bristles, which are hand drawn and fastened by wire, are at first fully three inches long, you will wonder how they can be sold at such low prices. Every tooth brush which we sell at

25 Cents and Over

is guaranteed. Our stock contains both the foreign and domestic makes. It would be impossible for you to match these values elsewhere.

SILVER-TEA

Don't forget the date of the "Tea" at Mrs. Chris Wright's in North La Grande, Friday afternoon, from 3 to 5:30. Miss Naomi Williamson will give a reading at 4:30. Miss Williamson is an artist and her interpretations are excellent. Her name on any program is sufficient to call out a large number of

ladies. This promises to be one of the largest functions given. North La Grande strong in community spirit as well as patriotic. South La Grande eager to show their neighborliness, and all La Grande helping the Red Cross.

HONOR GUARD GIRLS

The girls of La Grande are helping to "win the war." If you have

OUTBURSTS OF EVERETT TRUE

any doubts about it just look in at the work room in the E.R.'s hall on any Wednesday. You will find some forty of the Honor Guard girls and their friends in Red Cross uniforms busy at work folding the gause and their efficient leaders, Miss Naomi Williamson and Mrs. Frank Phy. Last week the chapter called on them for an extra evening which they gladly gave.

Without this service by the girls no box of dressings would have gone from the chapter last week. But the box went and the chapter's record—a box at least of surgical dressings every week—was not broken. Tip your hat to the Honor Guard girls.

BELGIAN COMMISSION

Dr. M. K. Hall, chairman of La Grande chapter, has appointed Mrs. Roscoe Neal and Miss Etta Foley to have full charge of the "drive" for clothing for the Belgian relief. They have secured quarters in the new Foley building, where all do-

nations will be received. The drive begins Monday, March 18th and closes Saturday, March 25th. Nothing will be received before and nothing after these dates.

Tomorrow the list of garments needed will be printed. All garments must be clean, and of good quality.

JOSEPH NEWS ITEMS

Joseph Red Cross Doing Big Things.

The work of the Joseph branch chapter of the Red Cross is running without a hitch. Sessions are now being held on Monday and Thursday evenings. On Monday, Tuesday and Wednesday afternoons sewing is done, while the afternoons of Thursday and Friday are devoted to hospital and surgical dressings. The ladies, under the competent leadership of Mrs. Dawson and her assistants, are doing big things, and it is hoped that more new names will be added to the present list of workers.

The Finance Committee has arranged for an apron bazaar and basket supper for Saturday, March 23. Particulars will be announced later.

The following articles were shipped last week from the local chapter (this includes the work done by the Rebekah ladies): 460 4x4 compresses, 29 2x9 compresses, 85 muslin binders, 10 sweaters and 10 pairs of socks.

School Notes.

After a short vacation, occasioned by the installing of the new furnace, work is started again and is running as usual.

Those who received grades over ninety in every subject in the school for the last six weeks are Emma Staufelt, Nettie Medsker, Elsie Rudger, Russell Bivans, Arthur Rodd, Margaret Dorrance, Helen Balladay, Reba Stanley, Donald Duncan, Alex Dawson, Kenneth Rodd, Roma Davis, Mae Saladay, Dorothy Wilson, Grace Mitchell, Raymond Bostan and Guy Davis. Several students who were absent because of measles will bring their work up and their names will be added to this list.

A goodly number of ladies attend Miss Strachen's food conservation class each Tuesday afternoon.

After a tryout of the voices in the Elsie club by Mrs. A. K. Parker, the director of the production, the cast has been picked for the "Nautical Knot," and work has started on an extensive scale. Besides the main parts, a large chorus will aid in the musical parts. The operetta itself is a sailor affair and brings in many customs of former days in a small town on the coast. Beautiful choruses intermingled with interesting scenes guaranteed a pleasant evening for all who attend. The
