ELGIN BAND TO GIVE DANCE

(Continued From Page Seven.)

four day trip up the Rio. Out of four games played, Elgin took the first two and lost the second two. Wednesday night the Elgin All Stars were defeated by the Elgin High 33-23.

Thursday, Wallowa High 17, Elgin 22.

Friday, Lostine High 30, Elgin 19.

Saturday, Enterprise High 59, Elgin 17.

The boys had a very enjoyable trip and wherever they went they received a hearty welcome. In all the games played, both in football and basket ball the Elgin boys have established a record for clean sportsmanship, and the boys left with a good record. Although they were defeated in two of the games, Coach Amosine was well satisfied with the fight his boys put up as they were game up to the last minute. It was a hard trip as the four games were played on each

following night. Some of the boys claim that a few of the team seemed to have lost their "hearts" as a few games. In practically all of the towns the white sweaters with the big purple "E" seemed to attract attention as well as to make a "hit." Amosine is confident that if the same bunch is together next year they will make the surrounding schools "go some" to keep up

A Bilious Attack
When you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach instead of digesting. This inflames the stomach and causes nausea, vomiting and a terrible headache. Take Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever. They only cost a quarter.—Adv.
