GRANDMOTHER KNEW

There Was Nothing So Good for Congestion and Colds as Mustard

But the old-fashioned mustard-plaster burned and blistered while it acted. Get the relief and help that mustard plasters gave, without the plaster and without the blister.

Musterole does it. It is a clean, white ointment, made with oil of mustard. It is scientifically prepared, so that it works wonders, and yet does not blister the tenderest skin.

Just massage Musterole in with the finger-tips gently. See how quickly it brings relief—how speedily the pain disappears.

Use Musterole for sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chubains, frost-bite, colds of the chest (it often prevents pneumonia), 30¢ and 60¢ jars; hospital size \$2.50.

Almost a Young Man Again.

When a man awakes in the morning with back so stiff he can hardly stoop over, with shooting twinges in sides and groins, dark and puffed pouches under eyes—when his movements seem slowed up and he lacks vim and energy—instead of saying, "I'm getting old," he should be on guard against kidney trouble. E. R. Whitehurst, R. F. D. 1, Norfolk, Va., writes: "I had been suffering for more than a year, but since taking Foley Kidney Pills I feel almost a young man again." Sold Everywhere.—Adv.

125 bushel grain bed, seat and break for \$89.00. Why pay more? La Grande Implement Co. 3-12-18.

For Hard-to-fit Women

Some women are hard to fit in corsets; some just think they are.

There are certain types of figures, however—full bust and small hips, small bust and large hips, short stout figures—that require special designing in corsets.

In MODART Front Laced Corsets there are special sizes and models for just such figures. We can give any woman, of whatever size or shape, the kind of style and fit she should have.
