Our Aim:

is to supply you with the best quality of food at the lowest possible price at all times.

It is not only our desire but we consider it a privilege as well as a duty to be of real service to the buying public, especially so during these strenuous times.

Our large stock is not only the best of quality, but due to our original Hooverized system of eliminating unessential service, together with our possessing large stocks, bought early at low prices, permits us to supply you with groceries at less than present wholesale markets.
