THE PLAN

THAT HELPS
YOU
TO ECONOMIZE
TRY IT

HERE IS THE PLAN—STUDY IT THOROUGHLY

FIRST—Our New Economy Cash Prices. Every article in the store will be marked at the lowest Cash and Carry Prices. Compare our prices and the quality of our groceries.

SECOND—Delivery of Cash Purchases. The largest or the smallest cash purchase will be delivered to any part of the city for a 10c delivery charge.

THIRD—CASH PRICES TO ALL CREDIT CUSTOMERS. Every credit customer will receive exactly the same low prices that Cash and Carry customers pay. Our charge of 10 per cent for the extra expense of carrying the account, bookkeeping and delivery, will be added to the total monthly purchases.

This plan means a saving worth while on every credit customer's account.
