**Catarrahal Deafness Cannot Be Cured**  
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrahal deafness, and that is by a constitutional remedy. Catarrahal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces of the Eustachian Tube. The medicine acts through the blood on the mucous surfaces of the system.  
We will give One Hundred Dollars for any case of Catarrahal Deafness that cannot be cured by Hays' Catarrh Medicine. Circulars free. All Druggists, etc.

## PERUNA in Your Home

A housewife must give the first aid in colds, coughs and other ailments. Her promptness in applying the remedy often saves a serious illness. Her experience with remedies has led her to know that PERUNA is always reliable, that she should have it on hand for the immediate treatment of coughs and colds, and that it is always to her.

**The Family Safeguard**  
The experience of one woman, given herewith, is typical of thousands of letters that reach the Peruna Company from grateful friends who have found their homes incomplete, and their family safety in danger without PERUNA.

**Colds and Catarrh**  
The great weight of testimony that has accumulated in the 44 years that PERUNA has been on the market proves it beyond question, to be the reliable family remedy, ever ready to take, preventing the serious effects of colds, coughs, grip and derangements of the digestive organs. This proof is published from time to time and many families have profited by it.

**PERUNA TOX**  
Remember you can obtain PERUNA in tablet form for your convenience. Carry it with you and be fortified against sudden attacks.

## The Spirit of the Times and the 1918 Harley-Davidson

For 16 years Harley-Davidson Motorcycles have led the way in motorcycle development.  
Motorcyclists know that we always were able to offer just what the rider wanted about a season before it was expected. In this way we explain our success.  
The 1918 Harley-Davidson Motorcycles will again stand head and saddle above competition. While the Harley-Davidson has always led in economy of operation that one possibility for improvement has been further developed. For 1918 the Harley-Davidson engineers have given us a motorcycle capable of even greater economy.  
**50 to 75 Miles per Gallon Gasoline 600 to 1200 Miles per Gallon of Oil 5000 to 8000 Miles per Set of Tires**  
There are several important improvements in the latest Harley-Davidson creation—refinements that make for greater efficiency and even longer life.  
We know that every person who ever rode or expects to ride will want to see the new beauty—so tomorrow we throw wide our doors and "open house" will be the rule. Come in. Swing into the saddle of the latest Harley-Davidson. See the luxurious new sidecar. We'll be looking for you.
