### Step Lively! Corns Quit with "Gets-It"

The Great Corn-Loosener of the Age. Never Fails. Painless.

Watch my step? What's the use? I go along "right side up" without care, even with corns, because I use "Gets-It," the painless, off-like-a-banana-peel corn remover. I tried other ways galore, until I was blue

Corns Simply Can't Stop Us, We use "Gets-It" in the face and red in the toes. No more for me. Use "Gets-It." It never fails. Touch any corn or callus with two drops of "Gets-It," and "Gets-It" does the rest. It's a relief to be able to stop cutting corns, making them bleed, wrapping them up like packages and using sticky tape and salves. It removes any corn clear and clean, leaving the toe as smooth as your palm. You can wear those new shoes without pain, dance and be frisky on your feet. It's great to use "Gets-It." "Gets-It" is sold at all drug stores (you need pay no more than 25 cents a bottle), or sent on receipt of price by E. Lawrence & Co., Chicago, Ill.
