

Easter---Time for New Clothes

Easter — just the time when men look to their wardrobes — when they tire of winter clothes, baggy with months of wear — when the pleasant Spring days call them outdoors.

Just the time to look at the new styles in Kirschbaum Clothes — tailored in pure wool fabrics — and offered at such moderate prices as \$20, \$25, \$30, \$35 and \$40.

AMERICAN FORCES ENTERING BATTLE ZONE

Amiens is well defended, and it is considered improbable that the Germans will be able to break through. The Berlin Lokal Anzeiger admits that the British saved their entire complement of heavy artillery.

AMERICANS ARE IN THE FIGHT.

WASHINGTON, March 27.—The allies are about to throw a mass of fresh, strong troops against the Germans. From reliable sources it is learned that Americans are now fighting valiantly in the Roye-Noyan vortex. It is believed that more Americans are coming with the allied reserves. The number of allied reserves is withheld, but it is believed they are large enough to throw back the Germans. Chief of Staff March is in constant touch with the reserve movements.

DEVASTATION IS TERRIBLE.

AMSTERDAM, March 27.—"The devastation is terrible," said General Ludendorff in a newspaper review. "The Kaiser is deeply impressed, but is glad the fighting was kept off German soil."

FAIRBANKS FRIDAY

On Friday and Saturday at the Arcade Douglas Fairbanks will be seen in another new Arcraft production, "Reaching for the Moon." No one will want to miss this picture which is full of Fairbanks stunts and it is urged that as many as possible arrange to see the picture on Friday so that they will not be caught in the usual Saturday night jam.

sent to all the local and district boards, and was in effect that the order stopping individual inductions after April 10 had been cancelled and that local boards were to honor competent orders until further notice.

Occupational Cards Completed.

The high school teachers have finished their work on the occupational cards. This work was rather an extensive job and the teachers under the direction of Mr. J. E. Fulkerson did an excellent piece of work. The cards have been sent to Washington, so that every registrant is now listed in Washington in the class in which he is the most proficient.

WAR PICTURES AT THE STAR THURSDAY

Another episode of the Official War Pictures that have been running at the Star will be shown on Thursday and Friday. The installment last week caused quite a sensation and as they draw closer to the end they become more exciting as more of the fighting scenes are shown. At this time better pictures of the great world conflict could not be brought here as they show in the most vivid manner just what is going on "over there."

The feature picture is called "Betty Takes a Hand" and features the dainty little star, Olive Thomas. The picture is one that has been made to amuse and many funny incidents take place.

This picture was one of the prize winning stories in the Photoplay Magazine and recently played at the Columbia theatre at Portland where it thrusted large audiences during its run.

Germany's greatest ally is the false belief in the United States that the war will be short. Face the grim facts. Prepare in your own home, in your business and in your community, for a long, determined struggle. That's the only way to shorten the war and do your full part towards winning it.

Save a loaf of bread a week and help keep up the fight.

Mr. Grain Farmer:

Are you prepared to handle your grain in bulk? Do not wait until Spring and Summer when you are buried with work and worried with labor shortage, but build your granaries now.

You can buy the lumber and roofing paper for a first-class 1000 bushel portable granary for \$54.68 and it will last for years. Sacks for the same amount of grain will cost you \$125.00 and this would be a dead loss against this year's crop.

A granary of this size can be moved anywhere and can be filled directly from the thresher, doing away with high priced labor handling and sewing sacks.

The boys in the trenches need the sacks for sand bags for the protection of their very lives and perhaps your boy is among them.

Spend your money in your own valley by buying lumber manufactured at home. When you buy sacks part of the money goes to India.

BUILD YOUR GRANARIES NOW

Be prepared by building them before the farming season opens up. Be sure to get good lumber, well seasoned, as low grade lumber will give you trouble in a few seasons. Don't use green lumber.

Save money—keep what you spend at home—prevent loss and damage from exposure to weather—leave the sacks for our boys in the trenches; help win the war by building granaries now.

Portable granaries of this type are universally used in other sections. One trip with a good team will haul the material for one granary. For particulars as well as prices on Union County lumber for all farm purposes, see

SHERRY'S

CORINNE GREETH POPULAR IN SOUTH

Corinne Griffith, beautiful Vitagraph star, who is seen in "The Menace," the Blue Ribbon Feature, which will be the attraction in the Sherry theatre, last date today, enjoys a continuous "home coming week" in her native Dixieland. She does not need to know where her pictures are booked in the South, for her mail keeps her fully informed. In Texas, her native State, she is billed and referred to as "The Harris County Girl," every time one of her pictures is shown, and in New Orleans, where she was reared, she is "The Convey Girl." In "The Menace," a strong picture based on heredity, the leading part is taken by Evert Overton, and others in the cast are Ned Finley, Herbert Pifer, Lella Blow and Frank A. Ford.

FRANKLIN FARNUM IN FIVE REEL COMEDY

"The Winged Mystery" with its dual role, served Franklin Farnum so well as a Bluebird attraction, that it was decided to present him in another comedy in which the star will play his own "double." Joseph F. Poland prepared the story and scenario for the new Bluebird, "The Rough Lover," which will be seen first at the Arcade theatre on Thursday only.
Mr. Farnum will interpret two roles entirely different in nature; one a prize fighter, of the "mixed" type, and the other a college youth of a retiring and studious disposition. Out of these contrasting natures Director Joseph De Grasse has created the elements of fast-moving and effective comedy. Juanita Hanson, who supported Dorothy Phillips in "Broadway Love," will be Mr. Farnum's leading lady appearing with him for the first time. Locations for the production were found on Catalina Island, off the coast of California.
