## Easter Program at Joseph

(By Arthur S. Rudd.)  
**JOSEPH, March 26—(Special)**—A fairly good display of the autumn borealis was seen by several Joseph people on Monday night. A rain followed the display.  
 Besides the Sunday School Easter program at the Little Stone church next Sunday several other services of the day will be devoted to the celebration of Easter. The regular church hour in the morning will be given over to Easter music followed by a sermon by Rev. Cook concerning the day. Music of this order will also be enjoyed in the evening. The Epworth League will hold their service at 7:30 instead of in the evening as is their custom every Easter Sunday.

Frank McClain, a Joseph boy who has been stationed at Goat Island, was recently honorably discharged from the ranks on account of weak ankles. He returned home Monday.

The Joseph Dray company has added another wagon to its equipment which will be driven by Thos. Vest, formerly of Wallawa. This company is now headed by Leonard Hammaek who is both manager and owner.

The Joseph Flour mill is still shut down because of a lack of wheat.  
 Melvin Bue, an Enterprise lad who is now with Uncle Sam's forces at Camp Lewis, was in Joseph last week visiting his sister, Mrs. E. T. Schleur. Melvin had a ten day furlough which he spent in visiting with relatives and friends in the different Wallawa county towns.

According to those Joseph business men who recently attended the Liberty Bond meeting in Enterprise Joseph surely will do big things in the coming bond drive.  
 Kelly Hartsborn returned the first of the week from a brief visit on the river.  
 Dr. Albert Mount recently received notice that he had been appointed as district surgeon for the branch line of the O-W. R. R. & N. Co. This is surely a responsible position and a good man has been chosen to fill it.

Born to Mr. and Mrs. Guy Stewart on Tuesday, March 19th, a son, Mrs. Chas. Christy is seriously ill at the home of her daughter, Mrs. Victor, of Alder Slope.

Miss Marjorie Watson came up from Enterprise the first of the week after a visit in that place. She was accompanied by Miss Leola Rater? who will spend a few days in Joseph as a visitor at the Magness home, where Miss Watson lives.

Merrill Gershon, who has been manager of the Joseph Drug store, returned Sunday from Portland, where he spent a few days before leaving for Fort Riley, where he will be enrolled in the Medical corps.

**Joseph School Notes.**  
 Joseph may be proud, and justly so, of its splendid school, and as a part of the school the commercial department, which is conducted under the management of one of the most competent commercial teachers in the state, Miss Jennie Shepherd, who has held this position in our school for six years.

At present all but three high school students are taking subjects in this department and all feel well repaid for their time as great progress is being made. From time to time lists of students who have qualified for diplomas in such subjects as typewriting, penmanship and shorthand are received. The following list was received recently giving the names of those high school students who have qualified for diplomas from the Zaner penmanship method: Grace Carpenter, Florence Acton, Mary Duncan, Alma Desier, Cecil Scudder, Elsie Neal, Warren Boner and Cleo Morelock.

Nearly all the Joseph school faculty expect to attend the county institute in Enterprise next Saturday. All day Saturday will be devoted to the selling of the 1918 Jo-Hi. All who purchase an annual on that day will receive fifty votes for a queen who will reign over the school carnival, which will be held in a few weeks. The candidates are: Senior class, Gladys Lane; Junior class, Beatrice Lanphear; Sophomore class, Margaret Dorrance; Freshmen class, Alma Desier. All are asked to purchase as many annuals as possible as the money is needed to aid the publisher costs.

**ANTHEM ADOPTED FOR LIBERTY LOAN**  
 From Salt Lake Tribune.  
**NEW YORK, March 19.**—The Liberty Loan anthem, dedicated to the success of the third appeal to the nation for war funds, was formally approved today by the loan committee of the New York federal reserve district. It is designed for use throughout the country. The music was written by Mrs. George Barton French. The words by Charles W. Golden follow:  
 Heaven sent Liberty, our nation's pride,  
 Our fathers fought for thee, fought, bled and died;  
 Then was our flag unfurled, emblem sublime,  
 A light unto the world through endless time.  
 Our watchword still shall be, 'In God We Trust,'  
 Striving that all may see our cause is just.  
 We fight for Liberty and shall not cease,  
 Till freedom's victory brings lasting peace.  
 Now in our allies' land, breathing war's tide,  
 Our sons march hand in hand, God is their guide.  
 Once more we hear the call, 'Keep the world free!'  
 Rise! Rise! and give your all, for Liberty."

**Stop Itching Eczema**  
 Never mind how often you have tried and failed, you can stop burning, itching eczema quickly by applying a little zemo furnished by any druggist for 25c. Extra large bottle, \$1.00. Healing begins the moment zemo is applied. In a short time usually every trace of eczema, tetter, pimples, rash, blackheads and similar skin diseases will be removed.  
 For clearing the skin and making it vigorously healthy, always use zemo, the penetrating, antiseptic liquid. It is not a greasy salve and it does not stain. When others fail it is the one dependable treatment for skin troubles of all kinds.

**THE COMING OF THE 3<sup>rd</sup> LIBERTY LOAN**

**Back Mother's Sons with Father's Funds**

By E. E. O'Sullivan and W. S. Kirkpatrick.  
 Of supreme moment is the issue of the war. The price of wheat and the turn of politics are serious matters—but the Third Liberty Loan in Oregon means more than all. It means—  
 Backing up the boys who have been sent to the overseas battlefields.  
 Prompt and abundant loans of spare cash to the war treasury, in local trade terms, is the translation of money into airplanes, guns, ammunition, provisions, ships and every device of modern war for the American. War expenditures reach every avenue of business in this state.  
 Therefore, "Bridge the Pond—Buy a Liberty Bond," in the words of Mrs. H. M. McKenna of Astoria, and M. Eva Duff of Eugene.  
 Prepare for the Third Loan which opens Saturday, April 6, with Victory celebrations throughout Oregon. The Governor and Mayors will proclaim the significance and urgency of participation in the raising of Oregon's share of this defense fund. Railies, open air gatherings, speeches, parades, illuminations, the Ring-it-Again Liberty Bell on the door of every household, and by every means, the citizens of our community are urged to forsake all other activities and join in the spirit and the work of the day.  
 Begin buying a Bond the First Day!  
 This is the first of a series of cartoons and slogans by Oregon illustrators and writers which will be published by the LIBERTY LOAN COMMITTEE and the space for which is part of the patriotic offering of the LA GRANDE EVENING OBSERVER.

## Mr. Grain Farmer:

Are you prepared to handle your grain in bulk? Do not wait until Spring and Summer when you are buried with work and worried with labor shortage, but build your granaries now.

You can buy the lumber and roofing paper for a first-class 1000 bushel portable granary for \$54.68 and it will last for years. Sacks for the same amount of grain will cost you \$125.00 and this would be a dead loss against this year's crop.

A granary of this size can be moved anywhere and can be filled directly from the thresher, doing away with high priced labor handling and sewing sacks.

The boys in the trenches need the sacks for sand bags for the protection of their very lives and perhaps your boy is among them.

Spend your money in your own valley by buying lumber manufactured at home. When you buy sacks part of the money goes to India.

**BUILD YOUR GRANARIES NOW**

Be prepared by building them before the farming season opens up. Be sure to get good lumber, well seasoned, as low grade lumber will give you trouble in a few seasons. Don't use green lumber.

Save money—keep what you spend at home—prevent loss and damage from exposure to weather—leave the sacks for our boys in the trenches; help win the war by building granaries now.

Portable granaries of this type are universally used in other sections. One trip with a good team will haul the material for one granary. For particulars as well as prices on Union County lumber for all farm purposes, see
