

We Certainly Ought to Know

When there is any question of value in automobile tires we certainly ought to have the answer.

For we have seen the *inside* of practically every tire made. We know how much value every manufacturer intends to put into the tires he sells.

We know which tires give way first. We know their weaknesses, their points of strength, their capacity for service.

We know tires as your family doctor knows you—because it is our business, as vulcanizers, to keep tires in as

good health as possible.

And the net result of all this information of ours is our determination to sell Good-year Tires to our customers.

We believe it will be to your advantage to buy your tires from people who *know* tires, from the inside out.

Women Braver Than Men. Women often do their daily tasks in home, office or factory while suffering pain and misery that would put a man in bed. However, much of women's suffering can be alleviated. Backache, sore muscles, stiff joints, rheumatic pains, dizziness and like symptoms are caused by

disordered kidneys and bladder. Mrs. Thos. Davis, Montgomery, Ind., writes: "I doctored several months without relief, when I commenced using Foley Kidney Pills, and got relief. Eight bottles cured me." Safe, harmless; quick results. Sold everywhere.—Adv.
