A cough that follows a gripe or any other cough that "hangs on" from winter to spring wears down the sufferer, leaving him or her in a weakened state unable to war off sickness and disease. Joe. Gillard, 148 Fillmore St., Nashville, Tenn., writes: "I was suffering with a dry hacking cough and a pain in my chest, but after taking Foley's Honey and Tar I have been relieved." It soothes, heals and cures coughs, colds and croup. Good for whooping cough. Sold everywhere.—Adv.

**LITTLE GIRL IN MAIL**

It Took 25 Cents' Worth of Stamps to Send Her Home.

Opal Davis, the little daughter of Mr. and Mrs. Ora Davis of Brownstone, Ind., was mailed home recently. The girl, who is about seven years of age, had gone to Clear Spring to visit relatives. When it was time for her to catch the train it was learned that it was snowbound. The roads were in such condition that no one wished to drive her through. The result was that her aunt decided to send the child by mail.

Opal was taken to the post office at Clear Spring and found to be within the weight limit of the first zone. It took 25 cents' worth of stamps to mail her with her clothing, and she made the trip to this place with Gilbert Ball, rural mail carrier. After the post office had taken due note of her arrival and saw that the stamps had been properly cancelled she was permitted to go home.

**PRaises RED CROSS**

General Petain Says Work is of Great Value to Army.

What is meant by the morale of an army is illustrated by a comment General Petain of the French army made to a Red Cross official: "The work that the Red Cross is doing for France this winter is worth more than 1,500,000 American soldiers in the line in France today," he said. With the knowledge that his wife and children are being cared for by the Red Cross, the French soldier is content to stay on the front and fight. That is what is meant by the improvement of the morale of the French army.

Thus every American woman who has knitted comforts or made surgical dressings or otherwise provided supplies for the Red Cross has contributed directly to the winning of the war.

Pine Valley Resident Was First Charged With Disloyalty.

**BAKER, April 11.**—E. H. Cheney, of Pine Valley, arrested Tuesday and brought to Baker by Deputy Sheriff Garlinghouse, of Halfway, on a charge of disloyal and seditious utterances, when asked to subscribe to the Liberty Loan, was examined yesterday and adjudged insane. He was committed to the Pendleton asylum and will be taken to that institution today.

Cheney is an Englishman and has lived in Pine Valley for a number of years. His mental condition probably explains his attitude and actions toward the loan solicitors.
