LIBERTY LOAN SONG

KEEP THE HOME FIRES BURNING.
(Words by Lena Guilbert Ford.)

They were summoned from the hillside,
They were called to from the glen,
And the country found them ready
At the stirring call for men.
Let tears add to their hardship,
As the soldiers pass along,
And, although your heart is breaking,
Make it sing this cheery song:

Chorus:

Keep the home fires burning
While your hearts are yearning,
Though your lads are far away,
They dream of home;
There's a silver lining
Through the dark cloud shining,
Turn the dark cloud inside out
Till the boys come home.

Over seas there came a pleading,
"Help a nation in distress!"
And we gave our glorious laddies;
Honor made us do not less
For no gallant son of Freedom
To a tyrant's yoke should bend,
And a noble heart must answer
To the sacred call of "Friend."

Jo-Hi Operetta A Big Success.
The third annual operetta given by the Glee Club of J. H. S. has come and gone, and was, in the verdict of all who saw it, a complete success. Practice, under the capable direction of Mrs. A. K. Parker and Miss Helen Wastell had been going on for nearly two months, and this, combined with the scenery, by Mr. Pollock, and the pretty costumes, made it one of the best, if not the best operetta ever staged in Joseph.

The play itself had a somewhat better plot than the one last year, which helped it very materially. The characters were well chosen, Raymond Cook as "Bill Salt," deserves special mention as do the rest of the youthful performers.

The two leading ladies, Miss Lane and Miss Shanafelt received much well-earned applause, as did Miss Desler, Miss Caviness and Miss Patten, who took the part of the three "D's," Della, Dora and Daisy. These leading people were well supported by a large chorus of artists, girls and sailors. About \$100 was taken in at the door, which money will be used in the publication of the Jo-Hi.

"MELODY LAND" WILL BE REPEATED

Auxiliary A of the Red Cross has received so many requests to repeat "Melody Land," that the girls have decided to stage this excellent extravaganza again Friday evening, April 19, at the High School auditorium.

Those who saw "Melody Land" on April 6, have said they wouldn't have missed it for twice the admission price. Those who did not see it, surely will not let such an opportunity pass again.

The 12 girls in their pretty costumes, with their dancing and singing and clever jokes, scored one of the biggest hits of the year.

The proceeds of this benefit will be given to the Red Cross to aid in the purchase of a cutting machine. Tickets are 25c and 35c and will be on reserve at Silverthorn's next Thursday and Friday.

PRELIMINARY POSTPONED

Examination of Accused Chinamen
Awaiting Arrival of Witnesses.

The preliminary hearing of Hung Den and Eng Den, the Chinamen accused by Toy Young of an attempted assault at Hot Lake last Thursday night, was called before Justice of the Peace Williams this morning. Upon a showing by the defendants that important witnesses could not be produced for the examination today, the case was put off until next Thursday.

Eng Den, one of the defendants, has been out on bail, which was furnished by the proprietor of the Home Restaurant, where he is employed as cook. Hung Den is still in custody.

WAR GARDENS SAVED GER- MANY.

War gardens in Germany have pulled her through two summers that she could not have weathered otherwise, says the Federal Food Administration. In the larger cities as much as 39 per cent of the food consumed was fresh vegetables, releasing cereals for the fighting front. War gardens in this country will save food and relieve the labor shortage and the transportation burden. Food, labor and transportation are the three big war factors, and the gardens help relieve all three. Send for the O. A. C. garden bulletin, and make your garden count for the most.
