Preferred Stock Canned Fruits and Vegetables Can be purchased at our store at prices which, at this time particularly, should appeal favorably to your pocketbook. PREFERRED STOCK is a vital factor in national food conservation. During the months of nature's abundance, the United States produces fruit and vegetables far in excess of what can be consumed. By preserving this surplus by means of canning, is one of the truest forms of conservation. A great portion of this crop is packed under Preferred Stock Brand. You will find a complete line of the famous brand at our store. CALL MAIN 80.
