RED CROSS News and Notes.

TO ALL PATRIOTIC CITIZENS:

The La Grande Chapter of the Red Cross is compelled to make another appeal to the patriotic citizens of this community. The funds of the Chapter are inadequate to the demands made upon it for the purchase of material and supplies which it is supposed to furnish.

At the present time the chapter finds itself in debt about \$1,000, having expended since April 18, 1917, to April 1, 1918, \$24,347.38. Their indebtedness at this time in excess of their assets is \$1,017.59.

In order to hold the chapter's charter and continue the good work which is now more necessary and essential than ever before in the history of the war, the chapter has found that it will have to receive a regular monthly income amount-

ing to from one or two thousand dollars, and to this end we appeal to you to fill out the attached subscription blank for as much as you can spare monthly for this very essential work.

La Grande, Oregon.....1918 I hereby agree to pay to La Grande Chapter of the Red Cross the sum of \$..... payable on the first day of each month.

Signed..... These coupons and monthly payments can be turned in to either of the banks in La Grande.

Take the Capps Clothes, for example—77 years of scientific clothes manufacturing—something that isn't a gamble. All of our other things to wear, such as Hats, Shirts, Etc., have years of manufacturing experience and successful merchandising behind them; naturally they'll make good.
