PLANTS FOR PORCH BOXES.

The Government has requested us to raise all the vegetable plants possible. We consider it our patriotic duty to do so. Every inch of our Greenhouse space we will at once give over to tomato plants in pots. Our stock of plants for out-door planting is much smaller this year. If you want any, come quick, as they will not last long. Positively none reserved for anyone.

RED CROSS News and Notes.

TO ALL PATRIOTIC CITIZENS:

The La Grande Chapter of the Red Cross is compelled to make another appeal to the patriotic citizens of this community. The funds of the Chapter are inadequate to the demands made upon it for the purchase of material and supplies which it is supposed to furnish.

At the present time the chapter finds itself in debt about \$1,000, having expended since April 16, 1917, to April 1, 1918, \$24,347.38. Their indebtedness at this time in excess of their assets is \$1,017.59.

In order to hold the chapter's charter and continue the good work which is now more necessary and essential than ever before in the history of the war, the chapter has found that it will have to receive a regular monthly income amount-

ing from one or two thousand dollars, and to this end we appeal to you to fill out the attached subscription blank for as much as you can spare monthly for this very essential work.

La Grande, Oregon.....1918 I hereby agree to pay to La Grande Chapter of the Red Cross the sum of \$..... payable on the first day of each month.

Signed.....

These coupons and monthly payments can be turned in to either of the banks in La Grande.

A CLEAR COMPLEXION

Ruddy Cheeks—Sparkling Eyes—Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system.

If you have a pale face, yellow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take care of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women, as well as men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep in the pink of condition 10c and 25c per box. All druggists.
