George Steward, of Hastings, Nebraska, a brother of D. E. Steward of this city, arrived in La Grande this morning. He is making this visit as a change of location on account of falling health and will remain here for an indefinite period.

R. M. Healey, of Baker, has arrived in La Grande to take charge of the E. O. L. & P. company's business in this section. Mr. Healey is formerly of Roseburg and Baker and he has been employed with the power and light company for a number of years. Mrs. Healey and children will join Mr. Healey here and they will become permanent residents of La Grande.

They are people whom the community may well be pleased to claim as citizens.

MARINE ENLISTMENTS RECEIVED.

The U. S. Marine Corps is still open for enlistment to men between the ages of 18 and 35 in good physical condition, this includes registered and married men. The

To drive a tank, handle the guns, and sweep over the enemy trenches, takes strong nerves, good rich blood, a good stomach, liver and kidneys. When the time comes, the man with red blood in his veins "is up and at it." He has iron nerves for hardships—an interest in his work grips him. That's the way you feel when you have taken a blood and nerve tonic, made up of Blood root, Golden Seal root, Stone root, Cherry bark, and rolled into a sugar-coated tablet and sold in sixty cent vials by almost all druggists for past fifty years as Dr. Pierce's Golden Medical Discovery. This tonic, in liquid or tablet form, is just what you need this spring to give you vim, vigor and vitality. At the lag end of a hard winter, no wonder you feel "run-down," blue, out of sorts. Try this "Medical Discovery" of Dr. Pierce's. Don't wait! To-day is the day to begin! A little "pep," and you laugh and live. The best means to oil the machinery of the body, put tone into the liver, kidneys and circulatory system, is to first practice a good house-cleaning. I know of nothing better as a laxative than a vegetable pill made up of May-apple, leaves of Aloe and Jalap. This is commonly sold by all druggists as Dr. Pierce's Pleasant Pellets, and should be taken at least once a week to clear the twenty-five feet of intestines. You will thus clean the system—expel the poisons and keep well. Now is the time to clean house. Give yourself a spring house-cleaning.
