If I were a farmer I would keep at hand a few reliable medicines for minor ailments that are not so serious as to require the attention

of a physician, such as Chamberlain's Colic and Diarrhoea Remedy me to treat slight ailments as soon for bowel complaints.

Chamberlain's Cough Remedy for coughs, colds and croup.

Chamberlain's Liniment for sprains, bruises and rheumatic pains.

Chamberlain's Tablets for stomach troubles, biliousness and constipation.

By having these articles at hand it would often save the trouble of a trip to town in the busiest season or in the night, and would enable as they appear, and thereby avoid the more serious diseases that so often follow.—Adv.
