

THE GOODYEAR GUARANTEE

Goodyear tires guaranteed for life. If at any time a Goodyear tire proves defective it will be replaced on a basis of the service it has rendered. That means that if a tire is half worn out a new one will be furnished for half price, etc.

The Definite Mileage Joke

Nine times out of ten the poorer the tire the bigger the guarantee. Bait is used for many kinds of fishing. Don't be a sucker. Goodyear tires have won their popularity by their ability to stand the use. We never yet saw a tire that would run on a guarantee. Think this over.
