About Rheumatism.
 Rheumatism causes more pain and suffering than any other disease, for the reason that it is the most common of all ills, and it certainly gratifying to sufferers to know that there is a remedy that will afford relief, and make rest and sleep possible. It is called Chamberlain's Liniment.

FOR CORONER.
 The undersigned announces that he is a candidate for the Republican nomination for the office of county coroner at the primary election to be held May 17, 1918. My pledge is "I will perform the duties of the office according to law."

SOME CORSET FAGTS

There are, of course, good corsets and bad corsets—A good corset molds you to its shape. You mold a poor corset to your shape. That is why your figure improves under the influence of an artistically designed and well made corset.

 are designed by the most skillful and consequently the highest paid designer in the business.

The Bookworm
 "I tried to see library sometimes, but heard that they have not a very good selection of new books there."
 That is a frequent criticism which the librarian meets among the people of La Grande. As a matter of fact, the library which gets only the newest books as fast as they are published soon has a large collection of "has-beens" in literature. The custodian of public funds has to be cautious about buying on the first recommendation.
 A large bookstore in Chicago reported last month that the best-selling non-fiction included the following books. These titles are just half the number of the store's best sellers, and are all popular in the La Grande public library already, or have been ordered recently:
 My Four Years in Germany: By James W. Gerard.
 Poems: By Alan Seeger.
 Vagabonding Down the Andes: By Harry A. Franck.
 Over The Top: By A. G. Emery.
 Private Post: By H. P. Peat.
 Carry On: By Cominbly Dawson.
 A Student in Arms: By Donald Hankey.
 Anyone preparing a program will be interested in "The Rooster's Treasury of Irish Verse and Prose," temporarily loaned by the State Library.
 Periodicals have been added to the list subscribed to by the public library as follows:
 Bird Lore.
 Engineering News-Record.
 Illustrated World.
 Journal of Home Economics.
 Nation.
 North American War Weekly.
 New Republic.
 Bulletin of the Pan-American Union (Deals with South America.)
 System.
 The Touchstone.
 The library also receives extra copies of the Atlantic, Harper's, Good Housekeeping, Century and Scribners, for lending during the current month and after.

BAD BREATH
 Dr. Edwards' Olive Tablets Get at the Cause and Remove it
 Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work.
 People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.
 Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.
 All the benefits of nasty, sickening, griping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or any disagreeable effects.
 Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint, with the attendant bad breath.
 Dr. Edwards' Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 10c and 25c per box. All druggists.
