AFTER THREE YEARS.

Many men and women are sick and don't know it. Some never discover that they have kidney trouble until they apply for life insurance. The kidneys are working all the time, filtering poisonous waste out of the blood stream, and when they become weakened or deranged, backache, pains in sides and groins, so-called rheumatism, languidness, swollen joints and other symptoms develop. W. B. Moss, Ogden, Ark., writes: "Foley Kidney Pills relieved me of severe kidney troubles of three years' standing." Sold everywhere.

FIGURES WRONG WEST DECLARES

CANDIDATE CHALLENGES VALUATIONS PLACED ON PUBLIC

To the Taxpayers of Oregon: The following article is self-explanatory, and contains indisputable facts, taken from the public records of the state:

The public service commission places the total valuation of the Portland Railway Light & Power company for the five counties of Multnomah, Clatsop, Marion, Polk and Washington, on all its operating property, at \$46,862,971.92. The state tax commission placed a valuation, after deducting the county ratios, on this same property, at \$14,609,322.55. The gas plant at Salem, as an individual concern, was given a valuation of \$211,000 by the public service commission, while the state tax commission's valuation, after applying the county ratio, was \$61,200.

The public service commission gave the California-Oregon Power company of southern Oregon a valuation of \$2,717,174, while the state tax commission placed the valuation of this company's property at \$468,459.80, after applying the county ratios. This company operates in Douglas, Jackson, Josephine and Klamath counties. These are only two instances.

What I want to show is the inequality of the valuations of the public utility properties with that of the private corporations and individuals. These corporations as assessed by the state tax commission and the valuations given them by the public service commission should be the same.

The state treasurer is an ex-officio member of the state tax commission, and if I am nominated and elected to the office of state treasurer these conditions will be remedied. The people of Marion county know I play no favorites, I therefore ask your support and vote at the primaries on May 17.
