

A WHIRL OF MYSTERIES

Interest in Doubling up Over Forthcoming School Show.

The big Pi-U-Pi-Ann Show is progressing nicely and promises to be a fitting production to end the school year which has seen some fine displays of theatrical talent on the part of the students.

Word has been received from Inkoosi-kaas, the Zululand Medicineman, that the spirits will "be with him" next Thursday evening and he promises to give the attenders of the Pi-U-Pi-Ann Show an amusing and instructive insight into the world of mystery.

The Parisian Beauties are a troupe of fourteen charming maidens who will entertain with a novel act of singing and dancing. From their name, "Les Soeurs des Pollus," which a noted critic has attached to them, their nationality is at once evident, and the French have a splendid reputation as entertainers.

H. E. Draws-en-quick, the lightning cartoonist, has a very amusing and instructive chalk talk, which coupled with his pleasing personality and subtle humor, makes his act one of real merit.

Remember this is only half of the Pi-U-Pi-Ann Show as there are three other first line acts which will be presented.

The people of La Grande are very fortunate in having the opportunity of seeing this entertainment at the low prices of thirty-five and twenty-five cents.

Keep in mind the date and the place: May 15, and at the high school auditorium.

IN THE SPRING

will be the great test of a life and death struggle on the Western front. In the everyday walks of life, it is the spring time that brings ill health. One of the chief reasons why the run-down man finds himself in a bad state of health in March or April, is because he has spent nearly all his hours for the past four or five months penned up within the walls of his house, factory or office. It is the reason for our diminished resistance—that is, lack of out-door life, coupled with perhaps over-eating, lack of good exercise, insufficient sleep, and constipation. In other words, we keep feeding the furnace with food but do not take out the "clinkers," and our fire does not burn brightly. Always keep the liver active.

There is nothing better for health than taking an occasional mild laxative—perhaps once a week; such a one as you can get at any drug store, made up of May-apple, jalap, aloes, sugar-coated, day, easily taken, which has stood the test of fifty years of approval—namely, Dr. Pierce's Pleasant Pellets. But for the "Spring Fever," the general run-down condition, the lack of ambition, the "blues," one should take a course of treatment every spring; such a standard tonic as Dr. Pierce's Golden Medical Discovery, now to be had in tablet form in sixty-cent vials. Watch the people go plodding along the street. There's no spring, no vitality. A vitalizing tonic such as this vegetable extract of Dr. Pierce's gives you the power to force yourself into action. The brain responds to the new blood in circulation, and thus you're ready to make a bid against stagnation which holds you in bondage. Try it now! Don't wait! To-day is the day to begin. Gain a little pep and laugh and live. Vigor and vitality are the natural out-throw of a healthy body. It does not spring up in a night. Try this spring tonic, and you gain the courage that comes with good health.
