Catarrh of Throat

Miss Amalie Rusicka, 1449 South 16th St., Omaha, Nebraska, writes: "I have suffered with Catarrh of the throat. I caught cold and it settled in my throat, and I coughed badly and was very weak. I could not sleep and had no appetite. I had two doctors, and had taken so many different medicines and found no help. I thought I will have to give up; but at last my mother read about Peruna, so I thought of trying that great medicine Peruna. I got a bottle of it and in about four days I almost stopped coughing, and after a while I surely found relief, and from that time we are not without Peruna in our home."

Could Not Sleep No Appetite Now Well. We Always Have PERUNA in the Home.

Those who object to liquid medicines can procure Peruna Tablets.

WAR WORRIES UPSET HEALTH

It is agreed by medical authorities that worry affects the digestive organs. When the digestion is out of order, it throws the whole physical being out of gear. B. B. Hayward, Unadilla, Ga., writes: "Foley Cathartic Tablets give me quicker relief than anything I have ever tried." They relieve biliousness, bad breath, bloating, gas, indigestion and constipation. No griping or nausea. Sold everywhere.
