AFTER THREE YEARS.

Many men and women are sick and don't know it. Some never discover that they have kidney trouble until they apply for life insurance. The kidneys are working all the time, filtering poisonous waste out of the blood stream, and when they become weakened or deranged, backache, pains in sides and groins, so-called rheumatism, languidness, swollen joints and other symptoms develop. W. B. Moss, Ogden, Ark., writes: "Foley Kidney Pills relieved me of severe kidney troubles of three years standing." Sold everywhere.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.

The Oregonian is able to say on information and knowledge that he (Robert N. Stanfield) is neither a profiteer nor a hoarder. It says it now, because it ought to be said now. It would not have him, nor any man, penalized through politics, or partisanship, or newspaper unfairness, for having performed to the state of Oregon and to the Northwest an invaluable service in creating here a great wool depot, and in helping lay the foundations for an important industry in the manufacture of wool products of all kinds. What encouragement can Portland offer to others to invest their capital here, contributing a share to the development of desirable enterprise if they are to be assailed and libeled merely because they happen to be candidates for office?—Oregonian Editorial, May 12.
