Across the track—Where you get some change back.

AFTER THREE YEARS.

Many men and women are sick and don't know it. Some never discover that they have kidney trouble until they apply for life insurance. The kidneys are working all the time, filtering poisonous waste out of the blood stream, and when they become weakened or deranged, backache, pains in sides and groins, so-called rheumatism, languidness, swollen joints and other symptoms develop. W. B. Moss, Ogden, Ark., writes: "Foley Kidney Pills relieved me of severe kidney troubles of three years standing." Sold everywhere.

BUY BETTER TIRES

The pleasure of a whole trip is spoiled if you have to stop and repair tires. When you hear the story of a million mile guarantee or the tire that is as good as a Goodyear, then shut your eyes and think of yourself sweating beside the hot dusty road this summer.

Goodyear Tires Are Better

No one questions Goodyear Tires. Their quality is too well known. Their popularity is due to the service they give. They cost no more. Insist on having them.
