VEILS, TOO, GO OVER THE TOP

The basis of this millinery confection—if anything so airy can have so solid a characteristic as basis—is navy blue Milan in modified tricorn shape. It is edged with infinitesimal pink roses and the enveloping veil of brown tulle are a part of the hat—three layers, firmly caught to the crown.

NINE GRADUATE FROM JOSEPH HIGH SCHOOL

TEACHERS LEAVING FOR THEIR HOMES—BOY INJURED FROM KICK BY PONY—DR. STRAUB ADDRESSES THE GRADUATING CLASS.

JOSEPH, May 21. (Special)—Kenneth Trumbull, the twelve year old son of W. P. Trumbull, left Monday for Conner, Montana where he will live with his mother. Kenneth has just finished a term in the Joseph school.

Roy Hyman has returned from Wallawa accompanied by his wife and baby.

Donald Heffling was quite seriously injured last Saturday afternoon by being kicked between the eyes by a shetland pony.

Miss Jennie M. Shepherd, the efficient commercial teacher in our High School for the last six years, left on Monday's train for Weiser, Idaho.

Merrit Heffling came in Saturday after several weeks visit in Pomeroy and other points in Washington.

After spending a year in Joseph High School, Margaret and Lillian Dorrance, returned to their home northeast of Enterprise.

A party of friends gave a delightful surprise party in honor of Miss Moreno Bogan at the home of Miss Beatrice Lamphear last week.

Edward Long and Bert Sprague left Saturday to enlist in the army.

School Over in Joseph. Last Friday and Saturday witnessed the three big events which occur in the last semester of every High School year, that is, "Last day," "Class Night," and "Commencement."

On the evening of Friday a congenial audience gathered to hear efforts of the Seniors in their Class night exercises. A humorous vein ran through the whole program.

On Saturday evening came commencement. Dr. John Straub of the University of Oregon gave an address, which was one of the best of its kind ever delivered in Joseph. Hugh Wilson presented nine diplomas as follows: Rita Hamblen, Jean Patten, Emma Shanafelt, Nellie Medesker, Moreno Bogan, Rilla Bonner, Sergius Gaulke and Guy Morelock.

Wm. Morelock went to La Grande Saturday where he met his father, who was recently operated on in a Portland Hospital and brought him back to his home in Elgin.

Miss Ada Endicott went to Portland the first of the week for a short.

Theodosia Shinn went to La Grande with her sister, Mrs. G. T. Fleming, and will visit at the latter's home.

Misses Schott, Walker and Easley were the guests of honor at a party last Tuesday night at the home of Miss Alma Decker. These teachers left Sunday for Portland. Misses Schott and Walker expect to return next year but Miss Easley will teach near Pendleton.

Early Saturday morning four teachers left Joseph, not by the usual method of exit, but with Miss Stahan at the wheel of her new Dorr automobile, with the intention of motoring to The Dalles, where their ways will part for the summer. The teachers of this party were Miss Lexie Stearn, Miss Anne Troedson, Miss Al's Spaulding and Miss Helen Wastell.

Born to Mr. and Mrs. Tom Leffler, May 20, 1918, a girl.

Margaret, the twelve year old daughter of Mrs. Vanchum, who lives near Joseph, is very seriously ill with appendicitis.

About Rheumatism.

Rheumatism causes more pain and suffering than any other disease, for the reason that it is the most common of all ills, and it certainly gratifying to sufferers to know that there is a remedy that will afford relief, and make rest and sleep possible. It is called Chamberlain's Liniment.

ON GUARD

At this time of the year people feel weak, tired, listless, their blood is thin, they have lived indoors and perhaps expended all their mental and bodily energy and they want to know how to renew their energy and stamina, overcome headaches and backaches, have clear eyes, a smooth, ruddy skin, and feel the exhilaration of real good health ringing from their body. Good, pure, rich, red blood is the best insurance against ills of all kinds. Almost all diseases come from impure and impoverished blood. It is to be noticed in the pale or pimply face, the tired, haggard appearance of the listless manner.

Drink hot water a half hour before meals, and for a vegetable tonic there's nothing better than Dr. Pierce's Golden Medical Discovery, the old-fashioned herbal remedy, which has had such a fine reputation for fifty years. It contains no alcohol or narcotics. It is made from Golden Seal root, Blood-root, Oregon grape root, Queen's root, Black Cherry bark, extracted with glycerine and made into tablets and liquid. Tablets sixty cents, at most drug stores. In order to insure pure blood and to build up the system try this tonic known as Dr. Pierce's Golden Medical Discovery. Get it now!
